The Crisis of the Late Middle Ages was a series of events in the fourteenth and fifteenth centuries that brought centuries of European stability to a halt. Three major crises led to radical changes in all areas of society: demographic collapse, political instabilities and religious upheavals. A series of disasters, beginning with the Great Famine of 1315–17 and especially the Black Death of 1347-1351, reduced the population perhaps by half or more as the Medieval Warm Period came to a ...

Crisis of the Late Middle Ages - Wikipedia

Feudalism, also known as the feudal system, was a combination of the legal, economic, military, and cultural customs that flourished in Medieval Europe between the 9th and 15th centuries. Broadly defined, it was a way of structuring society around relationships that were derived from the holding of land in exchange for service or labor. Although it is derived from the Latin word feodum or feudum, which was used during the Medieval period, the term feudalism and the system which it describes were
