For Social Research
By William K
Carroll

The objective of
this exercise is to
identify the areas
where improvement

Where To Download

can be made in the study and also understand the limitations of an empirical research study. The Research Methodology Critical Analysis report is also aiming to provide an explanation for the weaknesses which has been identified

Where To Download

in the empirical study. In this report the emphasis of the researcher is not on judging the quality of the study but to highlight only those points which has a scope for improvement and changes.
