bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe. Loyalty and force are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie through letters, they embark on a reckless, secret romance—a forbidden fantasy that neither imagines could ever be real—until early parole for Eric changes everything, and forces them both to face a past they can't forget, and a desire they can't deny. Praise for Cara McKenna and her novels —Cara McKenna is my go-to author for gritty, hot love stories full of honest emotion.—Victoria Dahl, USA Today bestselling author —McKenna writes dark, lush, erotic romance.—Heroes and Heartbreakers —Sweet, smoking hot, standout erotic romance.—Beth Kery, New York Times bestselling author Before becoming a purveyor of smart erotic romance, Cara McKenna worked as a lousy barista, a decent designer, and an over-enthusiastic penguin handler. She loves writing sexy, character-driven stories about strong-willed men and women who keep each other on their toes—and bring one another to their knees. Cara now writes full-time and lives north of Boston with her bearded husband. When she's not trapped in her own head, she can usually be found in the kitchen, the coffee shop, or jogging around the nearest duck-filled pond.

For the past couple years Laurel's been coasting, hiding in the backseat while her life drifts off course. Then one summer afternoon a tall, built bruiser named Flynn strides in and steers her straight into an infatuation she never saw coming. Flynn introduces Laurel to things she's never imagined before—to the violent but exciting realm of the underground boxing circuit, to rough sex and even rougher role-playing, and to an attraction she craves even as it

intimidates her. As Flynn invites her deeper into his world and his life, Laurel has to make a choice-let fear keep her holed up where it's safe, or take a chance and fight for the man who makes her feel more alive than she'd dreamed possible.

A "smoking hot"* erotic romance novel that will have you up all night... Erin Coffey has been a nurse for years, but nothing's prepared her for the physical and emotional demands of her new position. Needing to move closer to her dysfunctional family, she takes a dangerous job at Larkhaven Psychiatric Hospital, where she quickly learns that she needs protection—and she meets the strong, over-confident coworker who's more than willing to provide it. Kelly Robak is the type of guy that Erin has sworn she'd never get involved with. She's seen firsthand, via her mess of a sister, what chaos guys like him can bring into a woman's life. But she finds herself drawn to him anyway, even when he shows up at her door, not eager to take no for an answer. What Erin finds even more shocking than Kelly's indecent proposal is how much she enjoys submitting to his every command. But he can't play the tough guy indefinitely. If they want to have more than just an affair, both will have to open up and reveal what they truly need. "The sweet, smoking hot, standout erotic romance you've been craving."*New York Times bestselling author Beth Kery

Getting here took you a plane, bus, taxi and—um, bicycle. But just as you're resigning yourself to drinking beside grey-haired farmers, you see him—a man with the looks and charm to soothe any heartbroken girl. He's your bartender. But it's gotta be casual. She's just begun rerouting

her life after a three-year man-related detour. Still, a sexy romp (or twenty!) with Sexy McBartender? But what happens when Jamie's best-laid plans for no future plans with any man begin to change?

The long-awaited sequel to *Willing Victim*. Eight months ago, Laurel walked into an underground boxing gym and found herself mesmerized by a stranger named Flynn—a man who fights hard and loves harder. Since then he's taken her places where fear and curiosity clash in exquisite pleasure, where trust is the price of ecstasy, and in time their brutal games have become her kink as much as his. But when real life intrudes and hard decisions demand action, will these two whose bond is rooted in fantasy take shelter in each other's arms, or discover that lust is no substitute for a lasting commitment?

Seven days, seven challenges. Twelve strangers. Eight thousand cameras. Only one winner. Welcome to *The Ant Farm*, a social study in the wilds of interior Alaska, documenting the dynamics between a dozen competitors as they take part in a series of physical and psychological face-offs. With five hundred grand up for grabs at the end of the battle royal, the stakes are high and the tension blazing. Could the seemingly mild-mannered nice guy win it all? The cutthroat alpha female? The strongest or the smartest, the idealist or the cynic? It's anyone's guess as teams are undercut by alliances, loyalties tendered and tested, and passions enflamed by both affection and animosity. In this contest where even knives and guns are fair game, sex may prove the most dangerous weapon of all.

The first in a new series from the "wicked-hot"* author of *Hard Time* and *Give It All* explores the fantasies of a daring married couple—and those of a stranger invited to play along in their scandalous little games—When he's working, Mike Heyer is all business—every inch the alpha male, with the hard, capable body to

back up his persona. But at home he can be a different man entirely, harboring appetites only his wife gets to glimpse... When Samira first learned of her husband's fantasies, she was reluctant, even alarmed. But after witnessing the way they set him on fire, she yielded, and happily indulged. As their games have intensified, so has the rush. And now so has the risk—they're poised to take Mike's indecent desires to the next level, by opening their bed to a sexy, brazen stranger. A man seeming custom-made to grant every last one of Mike and Samira's sinful wishes. Welcoming someone new into their lives was always a dangerous proposition, but the couple imagined if anything was at stake, it was their privacy—not their hearts. *New York Times Bestselling Author Jaci Burton
