The internationalization of the human society and mainly of the economy will continue. It will create threats but also big opportunities to most companies. This is where the book makes its contribution,

Download Free Dacia Logan Manual

putting forward suggestions for medium-sized companies to become a winner of internationalization. After a comprehensive introduction to internationalization and to strategic planning, concrete recommendations are made: The book first looks at going international for new markets. Then it

Download Free Dacia Logan Manual

shows how to develop an internationalization strategy for production and sourcing. Finally strategic planning in an international company is explained. The book is aimed at company executives, master students and participants of EMBA programs. It is intended to serve as a support for developing successful
