symbol directly after a punctuation mark. And it provides many examples of what students should think and what they should write and how these two are often not the same.

The publication examines how six countries (Argentina, Mexico, Pakistan, Philippines, Ethiopia and Viet Nam) have been affected by the elimination of Trade-Related Investment Measures (TRIMs). The study suggests that the extent to which TRIMs have helped advance the objectives set out has varied considerably, reflecting the specific economic conditions and policy environment of the country using them.

Eternity Springs is a magical place where hearts come to heal—with a little help. As Emily March's beloved series continues, a broken marriage finds new wings to fly. Dark, brooding Jack Davenport hides his secrets well, never telling his wife about the dangers of his job, never sharing his thoughts or worries . . . never sharing himself. After tragedy strikes, their marriage shatters. Now a threat to Catherine Blackburn's life brings her back into his—and gives them a second chance. A reporter whose most recent investigation has ignited a national controversy and put her in harm's way, Cat thinks she can handle herself. So when Jack grabs her off the street and sweeps her to his home above Eternity Springs, she's furious. In the warm sanctuary of the Eternity Springs community, Jack and Cat face the heartache that drove them

apart. But can they find the courage to pick up the pieces of a shattered love? Includes a preview of Emily March's next Eternity Springs novel, *Reflection Point* Praise for the Eternity Springs series "For a wonderful read, don't miss a visit to Eternity Springs."—Lisa Kleypas "With passion, romance, and revealing moments that will touch your heart, [Emily March] takes readers on an unhurried journey where past mistakes are redeemed and a more beautiful future is forged—one miracle at a time."—USA Today

The *Small Gas Engines Workbook* includes a variety of questions, in various formats, to help reinforce the student's understanding of the material presented in the textbook chapters. Step-by-step jobs in the Workbook guide the students through important engine service procedures. The Workbook also includes sample Equipment & Engine Training Council (EETC) technician certification tests for the four-stroke and two-stroke areas of certification. These tests help the students prepare for EETC certification.

The authors explore the logical properties of diagrams, charts, and maps, and the role these play in problem solving and teaching reasoning skills.

Graphic Violence provides an innovative introduction to the relationship between violence and visual media, discussing how media consumers and producers can think critically about and interact with violent visual content. It comprehensively surveys predominant theories of media violence and the research supporting and challenging them, addressing issues ranging from social learning, to representations of war and terrorism, to gender and hyper-masculinity. Each

chapter features original artwork presenting a story in the style of a graphic novel to demonstrate the concepts at hand. Truly unique in its approach to the subject and medium, this volume is an excellent resource for undergraduate students of communication and media theory as well as anyone interested in understanding the causes and effects of violence in media.

Enzyme immunoassays have developed into a powerful assay technology, transcending several discipline boundaries, extensively applied as a tool in fields other than enzymology and immunology. This volume reflects the rapid progress in the applications of this technique, providing a basic understanding of these techniques and a practical guideline for the choice and experimental detail.

Find out why her food testers celebrate these all-too-often occasions in *Stir, Laugh, Repeat*.
