Five-strand French braid ~~Different Approach Hairbraiding French Braiding~~
It shows each braid in three different ways (braid, stitch, and lace), explains 12 different forms (tail, circle, headband, junction, etc.), and also shows how to create accents. Some of my favorite styles are the push-up flowers (they're so easy, and yet so cool!) the headband cascade, and the circle form.

~~10 Interesting Facts You Need to Know about Braids ...~~

The french braid starts from the top of the head; on the flip side, the braid could be started from different regions to style hair. The french braid is time taking; however, the braid does not consume too much time. A french braid is also known as a french plait, although the braid is known as a regular plait.

~~Difference Between French Braid and Braid — Difference Wiki~~

French braids can be worn in one single braid down the back of the head, one low braid to the side, or as two braided pigtales. This is known as the simplest braid that you can do and it can be done on any type of hair with ease. Hair is crossed over one another when creating this braid, as crossing underneath would make this braid a Dutch braid.
