Homebound status is not always permanent. A patient recovering from surgery, an accident, or episode of acute illness can be homebound for a short term. However, once that status changes, the patient must be discharged for outpatient care or follow up. By the same token, homebound status cannot change on a day-to-day basis to meet with the convenience of homecare. Staying home from outpatient therapy for a few days because of flu or a cold does not a homebound status make.
