The electro-pop duo, composed of Colorado natives Sean Foreman and Nathaniel Motte, rose to fame on Myspace, wore skinny jeans, and performed on Warped Tour. Their two breakout singles, "Don't Trust Me" and the Katy Perry-featuring "Starstruck," were party anthems for scene kids. A long decade later, they're as of-their-time as QWERTY keyboard phones and side bangs.

Also, don't trust a vaccine. Which, at least when it was convenient for various tyrannical governors to control us, is the ONLY THING that will get us back to normal. The media wants to mock people who don't "trust the experts." Look how quickly the "experts" started singing a different tune once it was politically convenient.

Does Jessica know what the truth is? A stunning psychological debut with a shocking twist

Book Description: Welcome to Hamlet. Population: 192. You can't find it on any map, GPS or directions site. A small village tucked between a mountain and a valley, Hamlet is the sort of place where everyone knows everyone -- and their business, too. There's no television. No phones. Only one way in and, for the locals, barely any way out. The sheriff is the law, the only doctor moonlights as the coroner, and outsiders rarely come to town. Murders are even rarer. A treacherous storm, a flat tire and a touch of

serendipity causes Tessa Sullivan and her husband Jack to stumble upon the narrow strait that leads into Hamlet. It was supposed to be a one night stop until the rain let up and Jack could figure out how to fix the tire -- until Tess lands herself in the local jail cell overnight and Jack is found dead in their hotel room the next morning. There's no doubt it was murder, but with his gentle wife having an airtight alibi, the sheriff has to wonder: who had any cause to kill the outsider? And was he only the first victim? Dr. De Angelis doesn't think so. Neither does Deputy Walsh. With Tess looking more and more like the killer's next target, both men take the time to comfort and protect the young widow. But only one of them is sincere. The other just wants her to himself now that her husband is out of the way. Alone and afraid, who can she trust? About the Author: Jessica Lynch has been writing

since she was 8 and wrote a short story called "Bugs Bunny Meets the Little Mermaid", mainly because they were the only characters she could illustrate. After spending more than a decade writing fan fiction, she decided to try to write an original novel. She lives in New Jersey with her family and enough cats to cement her status as a future cat lady.

The bestselling author of *Close My Eyes* returns with a chilling psychological thriller. Julia has always been the friend that Livy turns to when life is difficult. United fifteen years ago by grief at the brutal murder of Livy's sister, Kara, they've always told each other everything. Or so Livy thought. So when Julia is found dead in her home, Livy cannot come to terms with the news that she chose to end her own life. The Julia that Livy knew was vibrant and vivacious, a far cry from

the selfish neurotic that her family seem determined to paint her as. Troubled by doubt but alone in her suspicions, Livy sets out to prove that Julia was in fact murdered. But little does she realise that digging into her best friend's private life will cause her to question everything she thought she knew about Julia. And the truth that Livy discovers will tear the very fabric of her own life apart.

Fifteen-year-old Morgan, an emotionless schemer, moves in with a family after impersonating their niece and will continue the deception no matter the cost.

Mario's biggest regret was losing Reesie. He hated that he lost the woman he loved to someone he didn't want to keep. After years of searching for her, Mario believes that he has the chance to make things right when they finally reconnect.

Unfortunately for him, he failed to realize that Reesie's happy demeanor and pleasant smile hides the true fury burning deep within her. The Reesie he once knew is long gone. Now he's left with a scorned, hate-filled, bitter woman hell-bent on revenge. Mario learns the hard way that even when a woman wears an award-winning smile, you never really know what she's thinking.

The unmissable new thriller from the Sunday Times bestselling author of *The Holiday* and *The Catch*.

A teenage girl switches identities with a stranger and pulls off a long-term scam in this “wild and enjoyable” (BCCB, starred review) thriller perfect for fans of Ally Carter. Don’t you trust me? I mean, look at me. Blond, blue-eyed, the very image of innocence. Pretty enough, if you care about that kind of thing. I don’t. But would a normal person switch identities with some wet mess of a girl at the airport, just to get her to stop bawling about being separated from her loser boyfriend and sent to live with some distant relatives? Nope, she wouldn’t. Yet I did. I’m not as normal as you think. And you’ll just have to trust me on that.

Weekly) Four years ago, Skye Kellerman was attacked in her own bed. She managed to fend off her knife-wielding assailant, but the trauma changed everything about her life. As a result of that night, she joined two friends—also survivors—in starting The Last Stand, an organization to help victims of crime. But now, her would-be rapist is getting out of prison. Skye knows that Dr. Oliver Burke hasn't forgotten that her testimony cost him his reputation—and his freedom. Sacramento detective David Willis, who investigated her case, believes Burke is a clear and present danger—and guilty of at least two unsolved murders. And now Burke is free to terrorize Skye again. Unless David can stop him. Unless Skye can fight back. Because Oliver Burke has every intention of finishing what he started. And that's a promise. Trust me. Originally published in 2008

The sequel to TRUST ME, I'M LYING

“An irresistible mix of intrigue, high stakes, and self-discovery.” —Lee Kelly, author of City of Savages LITTLE SECRETS. Staying out of trouble isn't possible for Julep Dupree. She has managed not to get kicked out of her private school, even though everyone knows she's responsible for taking down a human-trafficking mob boss—and getting St. Agatha's golden-boy Tyler killed in the process. Running cons holds her guilty conscience at bay, but unfortunately, someone wants Julep to pay for her mistakes . . . with her life. BIG LIES.

Against her better judgment, Julep takes a shady case that requires her to infiltrate a secretive organization that her long-gone mother and the enigmatic blue fairy may be connected to. Her best friend, Sam, isn't around to stop her, and Dani, her one

true confidante, happens to be a nineteen-year-old mob enforcer whose moral compass is as questionable as Julep's. But there's not much time to worry about right and wrong—or to save your falling heart—when there's a contract on your head. Murders, heists, secrets and lies, hit men and hidden identities . . . If Julep doesn't watch her back, it's her funeral. No lie. "I would trust Julep Dupree with my life, Dani Ivanov with my heart—and Mary Elizabeth Summer with my every late-night can't-stop-reading session. An intelligent, fierce heroine of strength and loyal heart who refuses to suffer fools lightly? Yes, please." —Jennifer Longo, author of *Six Feet Over It* and *Up to This Pointe*
