What distinguished a duel from a casual bar room brawl or a street fight is that it was considered a rule-bound affair of honor among men of equal social standing. To receive a challenge to duel was actually a confirmation by the person issuing the challenge that they considered you a gentleman. If they had not, they probably would have just attacked you with a whip or a cane.

So, you've been challenged to a duel. What are the rules ...

The duel was scheduled for April 13, 1612, when Musashi was approximately 30 years old. The departure by boat for the duel was arranged for the Hour of the Dragon in the early morning (approximately 8:00 AM) to the island of Ganryujima, a small isle between Honshu and Kyushu. While Hosokawa officials banned spectators, the island was filled with them anyway.

The women in India's great epics compare favourably with the men Draupadi, the princess with five husbands and a fiery temperament: Uloopi, who abducted the mighty warrior Arjuna; Satyabhama, who fought alongside Krishna to kill the demon Narakasura; Sita, who dramatically descended into the bowels of the Earth rather than return to her suspicious husband; Satyawati, whose greed set the stage for the Kurukshetra War; or Savitri, who achieved the impossible without picking up a weapon. Pushpa Kurup brings their stories and many others in this brilliant compilation of the powerful and intriguing women of our mythology. What enriches this volume further is the inclusion of a few lesser-known but equally significant women, such as Unniyarcha, the heroine of the vadaikkanpaatu of Malabar; Kannagi, whose fury destroyed the prosperous Pandya kingdom of Madurai; or Sati Devi and Amba, who immolated themselves in their bid to achieve their mission. From bhikkunis and sanjayinis to wild and wayward women, from daughters, wives, mothers and grandmothers to queens, warriors and scholars, the stories of these splendid women throw up many surprises and make for a fascinating read.

This groundbreaking study focuses on a village called Te in a "Tibetanized" region of northern Nepal. While Te's people are nominally Buddhist, and engage the services of resident Tibetan Tantric priests for a range of rituals, they are also exponents of a local religion that involves blood sacrifices to wild, unconverted territorial gods and goddesses. The village is unusual in the extent to which it has maintained its local autonomy and also in the degree to which both Buddhism and the cults of local gods have been subordinated to the pragmatic demands of the village community. Charles Ramble draws on extensive fieldwork, as well as 300 years' worth of local historical archives (in Tibetan and Nepali), to re-examine the subject of confrontation between Buddhism and indigenous popular traditions in the Tibetan cultural sphere. He argues that Buddhist ritual and sacrificial cults are just two elements in a complex system of self-government that has evolved over the centuries and has developed the character of a civil religion. This civil religion, he shows, is remarkably well adapted to the preservation of the community against the constant threats posed by external attack and the self-interest of its own members. The beliefs and practices of the local popular religion, a highly developed legal tradition, and a form of government that is both democratic and accountable to its people all these are shown to have developed to promote survival in the face of past and present dangers. Ramble's account of how both secular and religious institutions serve as the building blocks of civil society opens up vistas with important implications for Tibetan culture as a whole.

Ramayana gives importance to truthfulness, charity, obedience to parents and other virtues. God Rama is different from historical Rama. Sita told the demons that she was not knowing Hanuman. Sita had received from Hanuman Rama's finger ring, and she had given to Hanuman her jewels. Sita uttered a lie. Hence, Sita was not a divine being. Rama killed Vali by fraud. Rama killed a shudra Shambuka for making a yogic penance. God is all-knowing Rama was not knowing if Sita was pure or impure. A test of Sita was conducted in a fire. Rama was not knowing that the golden deer was demon Maricha. Ramayana has failed to put an end to the abduction and selling of women to brothels. Ramayana creates false beliefs in the caste system, the doctrine of correspondence, idolatry, incarnation of God in human form, doctrine of boon, curse, fate, omens, dreams, astrology, miracles etc. Valmiki is responsible for high rate of suicides in India. Rama was a non-vegetarian. Hence, a ban on eating beef is immoral. Guru Gobind Singh asked people to use sword for the protection of righteousness and justice. Guru Gobind Singh said that Rama was not a God. Martyr Satwant Singh said: "I do not want to escape from the cycle of birth and rebirth. I want to take birth again and again and become martyr again and again". Wise Bodhisattvas said that a service done to society is better than seeking Nirvana. Vedas, Bhagavad Gita and Ramayana should be published only after removing few pages containing the caste system. There is no penal code in Ramayana. The penal code of Manu is weak and Manu needs a help from Moses. In the eyes of Hinduism homosexuality was always a crime. Innocent people have to reap what is sown by evil doers. People should boycott the courts of India till a privatisation of judiciary takes place and cases are decided within six months. This book contains a solution for bringing Hindu-Muslim conflicts to an end. Hinduism was reformed by Brahmosmaj, Aryasamaj and Sikhism. The blood and seed of Hindus and Muslims is same. There is an urgent need for making more reforms in Hinduism. Long live Nathu Ram Godse
