Frank Herbert's classic masterpiece--a triumph of the imagination and one of the bestselling science fiction novels of all time. SOON TO BE A MAJOR MOTION PICTURE directed by Denis Villeneuve, starring Timothée Chalamet, Josh Brolin, Jason Momoa, Zendaya, Rebecca Ferguson, Oscar Isaac, Javier Bardem, Dave Bautista, Stellan Skarsgård, and Charlotte Rampling. Set on the desert planet Arrakis, Dune is the story of the boy Paul Atreides, heir to a noble family tasked with ruling an inhospitable world where the only thing of value is the "spice" melange, a drug capable of extending life and enhancing consciousness. Coveted across the known universe, melange is a prize worth killing for.... When House Atreides is betrayed, the destruction of Paul's family will set the boy on a journey toward a destiny greater than he could ever have imagined. And as he evolves into the mysterious man known as Muad'Dib, he will bring to fruition humankind's most ancient and unattainable dream. A stunning blend of adventure and mysticism, environmentalism and politics, Dune won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction.

Before The Matrix, before Star Wars, before Ender's Game and Neuromancer, there was Dune, one of the greatest science fiction novels ever written. Melange, or 'spice', is the most valuable - and rarest - element in the universe. And it can only be found on a single planet: the inhospitable desert world Arrakis. Whoever controls Arrakis controls the spice. And whoever controls the spice controls the universe. When stewardship of Arrakis is transferred to his house, Paul Atreides must travel to the planet's dangerous surface to ensure the future of his family and his people. But as malevolent forces explode into conflict around him, Paul is thrust into a great destiny beyond his understanding. And in this game of power, only those who can conquer their fear will survive.
