OVERVIEW McConnell, Brue, and Flynn's Economics: Principles, Problems, and Policies is the #1 Principles of Economics textbook in the world. It continues to be innovative while teaching students in a clear, unbiased way. The 19th Edition builds upon the tradition of leadership by sticking to 3 main goals: Help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. GLOBAL EDITION Reorganized chapters to move international economics topics closer to the front of the book, including adding a web chapter into the physical textbook. New feature box and in-text examples that reflect a more global mix of countries, companies, and personalities. Globally-focused data throughout the text and figures to illustrate topics such as the uses of money, oil production in OPEC nations, and global interest rates. Updated discussion of exchange rates to focus on the euro and euro-area countries. Revised end-of-chapter material highlighting Asian, African, Central American, and European examples.

McConnell/Brue/Flynn has long set the standard for providing high-quality content to instructors and students all over the world. It has remained the most widely used principles of economics product as a result of persistent innovation. The 19th edition brought adaptive technology to the market for the first time with LearnSmart, a resource that ensures that every minute a student spends studying is the most efficient and productive time possible. Feedback from users in combination with the analysis of student performance data from the 19th edition's digital products significantly informed the revision of the 20th edition, resulting in a product expertly tailored to the needs of today's students. With the 20th edition, students and instructors will benefit from a new offering that expands upon the dynamic and superadaptive capabilities of LearnSmart: SmartBook, the first and only adaptive eBook. McConnell/Brue/Flynn's tradition of innovation continues with the 20th edition, providing market-leading content and digital mastery to benefit today's learners. Connect is the only
