Economy and Society was the first strictly empirical comparison of social structures and normative orders in world-historical depth, containing the famous chapters on social action, religion, law, bureaucracy, charisma, the city, and the political community with its dimensions of class, status and power. Economy and Status is Weber's only major treatise for an educated general public.

Economy and Society: An Outline of Interpretive Sociology is a book by political economist and sociologist Max Weber, published posthumously in Germany by his wife Marianne. Alongside The Protestant Ethic and the Spirit of Capitalism, it is considered to be one of Weber's most important works. Extremely broad in scope, the book covers numerous themes including religion, economics, politics, public administration, and sociology. A complete translation of the work was not published in English until
