Eggs Jerry Spinelli

Eggs is a young adult novel by Jerry Spinelli that was published in 2007. The story outlines a relationship that develops between two children that seemingly have little in common other than loneliness. David's mother slips on a wet floor without a wet floor sign and falls down the stairs, resulting in her death. The Limpert family, consisting of Margaret, David's grandmother, David, Carolyn's son, and Carolyn's husband, move from Minnesota to Perkiomen Township, Pennsylvania. David becomes quiet

Eggs (novel) - Wikipedia

e noticed how tall the egg was. It was standing. A solitary yellow egg, standing on one end of a large hump of brown leaves. He knelt beside it. He picked it up. The first thing he noticed was the red marking that circled the egg on the end where it had stood. The second thing he noticed was the dark hole that was left when he lifed the egg.

Jerry Spinelli - Wikipedia

Eggs is deep. Don't let the 8 year old protagonist fool you into thinking this book is for 4th graders. I will use it with my 6th graders. True to Spinelli's style, the characters are flawed but beautiful. Nice symbolism with the eggs. Motherless kids need each other!!

This powerful, quirky novel about two very complicated, damaged children has much to say about friendship, loss, and recovery.

Jason and Marceline have been friends since the end of seventh grade. Now in ninth grade, Jason's starting to think that they could be more than friends, and Marceline's starting to think so, too. But does the beginning of romance mean the end of their friendship?

What is stargazer, skateboarder, chess champ, pepperoni pizza eater, older brother, sister hater, best friend, first kisser, science geek, control freak Will Tuppence so afraid of in this great big universe? Jerry Spinelli knows.

Beloved Newbery Medalist Jerry Spinelli, author of Maniac Magee and Wringer, addresses issues of identity, belonging, family, and bullying in this humorous and heartfelt novel about twins. Jake and Lily are twins. Despite their slightly different interests and temperaments, they feel exactly the same—like two halves of one person. But the year they turn eleven, everything changes. Their parents announce it’s time for separate bedrooms. Jake starts hanging out with a pack of boys on the block. And Lily is devastated, not to mention angry. Who is she without Jake? And as her brother falls under the influence of the neighborhood bully, he also must ask himself—who is the real Jake? This is an often funny, poignant, and profound story of growing up, growing apart, and the difficult process of figuring out who you really are.

From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like “Jabip.” Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn’t know he’s not like everyone else. And one winter night, Zinkoff’s differences show that any name can someday become “hero.” With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy’s individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

Now a seventh grader, Jason finds out the hard way just how different things are where ninth graders are the kings.

Vicky and Stephen . . . find they have an inexplicable ability to see momentary flashes of the near future, most of which foretell all too clearly the developments of a very unpleasant plot. In the face of daunting scepticism, they persist in using their extra-sensory insight to track down the villains. This is an exciting and complex novel.

From Newbery Medalist Jerry Spinelli (Maniac Magee, Stargirl) comes the “moving and memorable” (Kirkus Reviews, starred) story of a girl searching for happiness inside the walls of a prison. Cammie O’Reilly lives at the Hancock County Prison—not as a prisoner, she’s the warden’s daughter. She spends the mornings hanging out with shoplifters and reformed arsonists in the women’s exercise yard, which gives Cammie a certain cache with her school friends. But even though Cammie’s free to leave the prison, she’s still stuck. And sad, and really mad. Her mother died saving her from harm when she was just a baby. You wouldn’t think you could miss something you never had, but on the eve of her thirteenth birthday, the thing Cammie most wants is a mom. A prison might not be the best place to search for a mother, but Cammie is determined and she’s willing to work with what she’s got. “Jerry Spinelli again proves why he’s the king of storytellers” (Shelf Awareness, starred) in this tale of a girl who learns that heroes can come in surprising disguises, and that even if we don’t always get what we want, sometimes we really do get what we need. “This book is never boring and never predictable. Fame, good and bad fortune, friendship and mental illness all make their way into [Cammie’s] narrative.”—The New York Times Book Review Praise for the works of Jerry Spinelli: “Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion.” —The New York Times “It’s almost unreal how much the children’s book still resonates.” —Bustle.com on Maniac Magee
