The first proposal was accompanied by an emerald Bulgari brooch that Taylor pinned to her marigold wedding dress. "Richard was so romantic that he'd use any excuse to give me a piece of jewellery," Taylor wrote in Elizabeth Taylor: My Love Affair With Jewellery. "He'd give me, 'It's a beautiful day' presents, or, 'Let's go for a walk' presents.

Profiles the film star's collection of jewelry, providing descriptions of her most noteworthy pieces and describing their representation of particular relationships and events in her life.

Profiles the film star's collection of jewelry, providing descriptions of her most noteworthy pieces and describing their representation of particular relationships and events in her life.

From an early age Elizabeth Taylor has loved jewellery and she wears it with a style all her own. Her collection has been appraised as one of the best private collections in the world, and includes pieces by Van Cleef & Arpels, Cartier, Bulgari, Ruser and Schlumberger. Once when she was asked why she had so many diamonds, she replied, because they are my passion.

DIV A tough Welshman, he was softened by the affections of a breathtakingly beautiful woman: she was a modern-day Cleopatra madly in love with her own Mark Antony. For quarter of a century, Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their two marriages to each other represented much more than outlandish romance. Together, Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the staples of today's media. Using brand-new research and interviews ð including unique access to Taylor herself, the Burton family, and Taylor's extensive personal correspondence ð this ultimate celebrity biography is the gripping real-life story of a fairy-tale couple whose lives were even grander and more outrageous than the epic films they made. /div

Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen. C. David Heymann brings her magnificently to life in this acclaimed biography--updated with a new chapter covering her final years. She was an icon, one of the most watched, photographed, and gossiped-about personalities of our time. Child star, daughter of a controlling stage mother, Oscar-winning actress, seductress and eight-time wife, mother of four children and grandmother of ten, champion of funding for AIDS research, purveyor of perfumes and jewelry, close friend of celebrities and tycoons--Elizabeth Taylor, for almost eight decades, played most completely, beautifully, cunningly, flamboyantly, and scandalously her greatest role of all: herself. The basis of an Emmy Award-nominated miniseries, Liz portrays Taylor's life and career in fascinating, revealing detail and includes an additional new chapter, bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates, and employees and through extensive research among previously disclosed court, business, medical, and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments. Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner, and Larry Fortensky. Here, too, is the truth about Taylor's father and her friendships with leading men Montgomery Clift, James Dean, and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues, and battles against drug and alcohol, to her sexual exploits, diamond-studded adventures, and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star.

This photographic tribute to Elizabeth Taylor documents the life and career of the cinematic icon, showing many images and facets of her life, both in private and in public.

Irresistibly magnetic on stage, mesmerizing in movies, seven times an Academy Award nominee, Richard Burton rose from humble beginnings in Wales to become Hollywood's most highly paid actor and one of England's most admired Shakespearean performers. His epic romance with Elizabeth Taylor, his legendary drinking and story-telling, his dazzling purchases (enormous diamonds, a jet, homes on several continents), and his enormous talent kept him constantly in the public eye. Yet the man behind the celebrity facade carried a surprising burden of insecurity and struggled with the peculiar challenges of a life lived largely in the spotlight. This volume publishes Burton's extensive personal diaries in their entirety for the first time. His writings encompass many years--from 1939, when he was still a teenager, to 1983, the year before his death--and they reveal him in his most private moments, pondering his triumphs and demons, his loves and his heartbreaks. The diary entries appear in their original sequence, with annotations to clarify people, places, books, and events Burton mentions. From these hand-written pages emerges a multi-dimensional man, no mere flashy celebrity. While Burton touched shoulders with shining lights--among them Olivia de Havilland, John Gielgud, Claire Bloom, Laurence Olivier, John Huston, Dylan Thomas, and Edward Albee--he also played the real-life roles of supportive family man, father, husband, and highly intelligent observer. His diaries offer a rare and fresh perspective on his own life and career, and on the glamorous decades of the mid-twentieth century.

"Shimmering in blue sequins and periwinkle eye shadow, Elizabeth Taylor strode onto the stage of the Mark Hellinger Theater to present the 1981 Antoinette Perry Award for Broadway's best musical...As she started to speak, the entire audience suddenly rose to give her a standing ovation. Wildly cheering, the crowd paid homage to the woman whose beauty had for so long enchanted the America. Now ripe and opulent at forty-nine, she no longer looked like the little girl who had ridden to glory in National Velvet; but the audience did not care, She could still bestow a touch of magic."--from the preface This biography of Elizabeth Taylor tells her story as no other can. Drawing on extensive reporting and interviews, Kitty Kelley's classic portrait follows the rise, fall, and rebirth of the woman who was perhaps Hollywood's brightest star. Now with a new Afterword by the author, this is the definitive record of Elizabeth Taylor's fascinating life.

Violet-eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time. Over two decades of friendship they made, separately and together, some of the era's defining movies--including Cat on a Hot Tin Roof, The Misfits, Suddenly, Last Summer, and Cleopatra. Yet

the relationship between these two figures—one a dazzling, larger-than-life star, the other hugely talented yet fatally troubled—has never truly been explored until now. “Monty, Elizabeth likes me, but she loves you.” —Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in *A Place in the Sun*, he was already a movie idol, with a natural sensitivity that set him apart. At seventeen, Elizabeth was known for her ravishing beauty rather than her talent. Directors treated her like a glamorous prop. But Monty took her seriously, inspiring and encouraging her. In her words, “That’s when I began to act.” To Monty, she was “Bessie Mae,” a name he coined for her earthy, private side. The press clamored for a wedding, convinced this was more than friendship. The truth was even more complex. Monty was drawn to women but sexually attracted to men—a fact that, if made public, would destroy his career. But he found acceptance and kinship with Elizabeth. Her devotion was never clearer than after his devastating car crash near her Hollywood home, when she crawled into the wreckage and saved him from choking. Monty’s accident shattered his face and left him in constant pain. As he sank into alcoholism and addiction, Elizabeth used her power to keep him working. In turn, through scandals and multiple marriages, he was her constant. Their relationship endured until his death in 1966, right before he was to star with her in *Reflections in a Golden Eye*. His influence continued in her outspoken support for the gay community, especially during the AIDS crisis. Far more than the story of two icons, this is a unique and extraordinary love story that shines new light on both stars, revealing their triumphs, demons—and the loyalty that united them to the end. “Casillo weaves an engrossing story about the intertwined lives of his subjects – the parallel worlds of privilege that they came from, the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night. The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in.” —The New York Times “In a riveting new book that brings Hollywood’s golden age to life with colorful, well-researched details and interviews with stars who knew Taylor and Clift, Casillo explores the intense bond the two shared.” —People Magazine

Elizabeth Taylor has never been short on star power, but in this unprecedented biography, the spotlight is entirely on her—a spirited beauty full of magic, professional daring, and wit. Acclaimed biographer William Mann follows Elizabeth Taylor publicly as she makes her ascent at MGM, falls into (and out of) marriages, wins Oscars, fights studio feuds, and combats America’s conservative values with her decidedly modern love affairs. But he also shines a light on Elizabeth’s rich private life, revealing a love for her craft and a loyalty to the underdog that fueled her lifelong battle against the studio system. Swathed in mink, disposing of husbands but keeping the diamonds—this is Elizabeth Taylor as she lived and loved, breaking and making the rules in the game of supreme celebrity.
