learning process. There are many regulations of academic honesty of your institution to be considered at your own discretion while using it. However, visible score improvement is assured for all students purchasing our study aids.

Prehospital Emergency Care., 11th Edition Solution Manual  
The first lesson, "Introduction to Emergency Medical Care," highlighted the fact that when a person is injured or becomes ill, it rarely happens in a hospital. In fact, some time usually passes between the onset of injury or illness and the patient's arrival at the hospital—time in which the patient's condition may deteriorate.
