Peace and the Rule of Law under the direction of Rüdiger Wolfrum.

~~Oxford Public International Law: United Nations (UN)~~
International law, also known as public international law and law of nations, is the set of rules, norms, and standards generally accepted in relations between nations. It establishes normative guidelines and a common conceptual framework to guide states across a broad range of domains, including war, diplomacy, trade, and human rights. International law aims at the practice of stable, consistent, and organized international relations.
