From acclaimed author Jamie Brenner comes a stunning new novel about three generations of women who discover that the scandalous books of their past may just be the key to saving their family's future. For decades, the Hollander Estates winery has been the premier destination for lavish parties and romantic day trips on the North Fork of Long Island. But behind the lush vineyards and majestic estate

House, the Hollander family fortunes have suffered and the threat of a sale brings old wounds to the surface. For matriarch Vivian, she fears that this summer season could be their last—and that selling their winery to strangers could expose a dark secret she's harbored for decades. Meanwhile, her daughter, Leah, who was turned away from the business years ago, finds her marriage at a crossroads and returns home for a sorely needed escape. And granddaughter Sadie, grappling with a crisis of her own, runs to the vineyard looking for inspiration. But when Sadie uncovers journals from Vivian's old book club dedicated to scandalous novels of decades

past, she realizes that this might be the distraction they all need. Reviving the "trashy" book club, the Hollander women find that the stories hold the key to their fight not only for the vineyard, but for the life and love they've wanted all along. Blush is a bighearted story of love, family, and second chances, and an ode to the blockbuster novels that have shaped generations of women.

This is the first book of its kind that navigates the waters of effective polyamory and power exchanges, with many essays from the brave practitioners who swim there.
