INSTANT NATIONAL BESTSELLER “ A manifesto to happiness—the one found when you stop running from who you are. ” – New York Times Book Review “ An extraordinary book, acrobatic on the level of the sentence, symphonic across its many movements—and this is a book that moves...My Year Abroad is a wild ride—a caper, a romance, a bildungsroman, and something of a satire of how to get filthy rich in rising Asia. ” – Vogue From the award-winning author of Native Speaker and On Such a Full Sea, an exuberant, provocative story about a young American life transformed by an unusual Asian adventure – and about the human capacities for pleasure, pain, and connection. Tiller is an average American college student with a good heart but minimal aspirations. Pong Lou is a larger-than-life, wildly creative Chinese American entrepreneur who sees something intriguing in Tiller beyond his bored exterior and takes him under his wing. When Pong brings him along on a boisterous trip across Asia, Tiller is catapulted from ordinary young man to talented protégé, and pulled into a series of ever more extreme and eye-opening experiences that transform his view of the world, of Pong, and of himself. In the breathtaking, “ precise, elliptical prose ” that Chang-rae Lee is known for (The New York Times), the narrative alternates between Tiller ’ s outlandish, mind-boggling year with Pong and the strange, riveting, emotionally complex domestic life that follows it, as Tiller processes what happened to him abroad and what it means for his future. Rich with commentary on Western attitudes, Eastern stereotypes, capitalism, global trade, mental health, parenthood, mentorship, and more, My Year Abroad is also an exploration of the surprising effects of cultural immersion—on a young American in Asia, on a Chinese man in America, and on an unlikely couple hiding out in the suburbs. Tinged at once with humor and darkness, electric with its accumulating surprises and suspense, My Year Abroad is a novel that only Chang-rae Lee could have written, and one that will be read and discussed for years to come.

This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just “ a window into the game, but also a peek into what makes him special: his heart ” (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer ’ s disease until his death in 2016. In *Out of the Pocket*, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN ’ s iconic College GameDay show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the GameDay set, and into the broadcast booth. You ’ ll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he ’ s established and the insights he ’ s learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as well as his colleagues, including Chris Fowler, Rece Davis, and his “ second dad, ” the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he ’ s also a survivor. He ’ s the quiet kid who withstood the collapse of his parents ’ marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a “ no way you ’ ll make it ” dream career in broadcasting. Inspiring and powerful, *Out of the Pocket* “ proves the importance of perseverance and family ” (Peyton Manning).

THE BRIEF AMERICAN PAGEANT presents a concise and vivid chronological narrative, focusing on the central themes and great public debates that have dominated American history. Colorful anecdotes, first-person quotations, and the text ’ s trademark wit are all evident throughout. The strong historical narrative is highlighted by focus questions, chapter outlines and summaries, marginal glossaries, and special features such as “ Makers of America ”, “ Examining the Evidence ”, and “ Thinking Globally ”. Also available in the following split options: Volume I: To 1877 (Chapters 1-22), ISBN: 9781285193304; Volume II: Since 1865 (Chapters 22-41), ISBN: 9781285193311.
