There are twists in Everything You Told Me that I certainly didn't see coming and I enjoyed reading about all the little twist. Sally in her pyjamas and a wax jacket woke up 300 miles away from her Kent home in a taxi but had the correct money of £400 to pay the taxi driver.

Everything You Told Me by Lucy Dawson - Goodreads

'Everything You Told Me' by Lucy Dawson was a cracking read in the psychological thriller genre. It kept me totally focused from beginning to end. I enjoyed the British setting and language, too. Lucy's writing was fluid, clever and believable. The characters, especially Sally (the MC and a woman under pressure), were well-developed. The plot was a labyrinth of mystery, twists and lies. The ...

Everything You Told Me: Amazon.co.uk: Dawson, Lucy, Ball ...

Another scorcher from Lucy Dawson, Everything You Told Me had me looking at the people in my life with suspicion. If there's one thing I can say about Lucy's books it's do not trust anyone. Twisted, gripping and completely relatable you won't want to put this down until you know the truth. * Jenny Blackhurst, on Everything You Told Me *

Everything You Told Me (Audio Download): Amazon.co.uk ...

What other book might you compare Everything You Told Me to and why? I can't think of another book that really compares to this one, and I've read many in this genre. It could be described as a family drama with a mystery twist and mind-bending suspense to boot. There are many characters to familiarize yourself with, which I think adds to the story well. I enjoyed the dynamics between Sally ...

Everything You Told Me Audiobook | Lucy Dawson | Audible.co.uk

Everything You Have Told Me is True is an essential read for everyone, scholars and lay readers alike, who wants to better understand the workings of Al Shabaab and the everyday lives of ordinary Somalis who live under its rule, or at least its influence, in South-Central Somalia. This volume is also a tribute and an homage to those Somalis, who refuse to give up their struggle and their ...

Everything You Have Told Me Is True | Hurst Publishers

Everything You Told Me is a slow burn psychological thriller that will get under your skin and slowly fester as it plays out. Sally wakes up in a taxi miles away from home with £400, an apparent suicide note, feeling woozy and with no recollection of how she got there.

Was Everything You Told Me worth the listening time? Yes 4 people found this helpful Overall 1 out of 5 stars. Performance 4 out of 5 stars. Story 1 out of 5 stars. Amazon Customer; 11-12-17 Waste of time I kept on hoping this book would get good. It didn't even get mediocre. The main character constantly focused on how demanding child care is and bent over backwards to indulge her children ...
