- Expeditionary Learning engages our teachers and school leaders in much the same way we hope they engage their students. Our professional development is filled with projects, with studying real things. For students, Expeditionary Learning at its core is about being asked to put knowledge and skills to work. - This is a river meandering.

### Expeditionary Learning | EL Education

Description. These grade 4 curriculum modules are designed to address CCSS ELA outcomes during a one-hour English Language Arts block. The overarching focus for all modules is on building students' literacy skills as they develop knowledge about the world. Taken as a whole, these modules are designed to give teachers concrete strategies to address the "instructional shifts" required by the CCLS.
