Welcome to Terraria, a world like Minecraft's Overworld that's full of action and possibility. Unique treasures to horde, wondrous biomes to explore, intricate buildings to construct, and treacherous villains to fight await anyone daring and creative enough to seek fortune and glory in Terraria. Miles, a young hero setting out on his first quest, yearns to become Terraria's strongest hero—and when Matthew offers to adventure alongside him as his friend and personal guide, he's positive that the road to success is paved before them. Matthew tells Miles that to truly advance in the game, he must defeat the Wall of Flesh, so he sets his sights on that goal. But Miles is devastated when he learns that becoming powerful enough to defeat the Wall of Flesh will come at a high cost: Matthew will be destroyed, and he'll lose his best friend forever. Miles must make a decision: should he stay loyal to Matthew and set his own dreams aside, or sacrifice his closest friend for the chance to chart a life in an unknown territory and save his biome? In this first exciting installment in the Tales of a Terrarian Warrior series, every choice has the power to change the future, and turning back is never an option.
