*Once You Go This Far* is the fourth thrilling mystery from Shamus Award-winning and Anthony and Macavity Award-nominated author Kristen Lepionka. Junior-high school nurse Rebecca Newsome was an experienced hiker—until she plummeted to her death at the bottom of a ravine in a Columbus metro park. Her daughter, Maggie, doesn't believe it was an accident, and Rebecca's ex-husband is her prime suspect. But he's a well-connected ex-cop and Maggie is certain that's the reason no one will listen to her. PI Roxane Weary quickly uncovers that the dead woman's ex is definitely a jerk, but is he a murderer? As she pieces together the days before Rebecca died, what Roxane finds doesn't quite add up. From a series of trips to Detroit and across the border to a casino in Windsor, Canada, to strange calls from Rebecca's home to a charismatic political candidate, to a women's health organization, to a secretive church group that seems to have more information about its members than it should, Roxane needs to figure out how everything is connected before a dangerous secret gets someone else killed.

Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.
