It is also "first steps" in wine making, I suspect there are much more in depth or long winded guides to fermentation which would have much expanded content on the science or various techniques, this is a very good place to begin though.

Amazon.co.uk:Customer reviews: First Steps in Winemaking

The first step in making wine is harvesting. It is the grapes which contain all the required esters, tannins and acids that make delicious wine. The moment at which the grapes are picked from the vineyard is what actually determines the sweetness, flavour and acidity of the wine. The first step in making wine is harvesting.
