A woman's charred body has been found inside a burned car atop a hill in Knoxville. Was this an accidental death, or murder? Forensic anthropologist Bill Brockton is on the case, torching bodies to research how fire consumes flesh and bone. Days later, he receives a mysterious package - a set of cremated remains that seems entirely unreal.

Publisher Description. Anthropologist Dr. Bill Brockton founded Tennessee's world-famous Body Farm—a small piece of land where corpses are left to decay in order to gain important forensic information. Now, in the wake of a shocking crime in nearby Chattanooga, he's called upon by Jess Carter—the rising star of the state's medical examiners—to help her unravel a murderous puzzle.
