Instructions

When turning the stroller over during assembly, place a cardboard box or other protective surface underneath the stroller to prevent damage to the floor. Making

sure your stroller is well assembled ensures the safety of your child. The

Graco stroller has three different stroller sizes and models which do not vary in assembly instructions 1. Whether you have

double strollers, full-size strollers or lightweight strollers, the instructions are the same.

## Strollers Buying Guide - Graco

Step 1, Set the brakes. Use your foot to push down on the lever near the rear wheels. While the lever is in its lowest position, it should prevent the wheels from moving. Step 2, Lock the front wheels. On some stroller models, the front wheels may also have a locking mechanism to prevent them from swiveling. First, push the stroller a few paces forward to put the wheels in the forward position. Then, look for a small lever between the front wheels. If present, it may need to be pushed up or ...
