Students cannot “ cram ” in the memory work two weeks before proofing and expect to gain true mastery of the material. If a student masters each week ' s memory work along the way, then the Memory Master process is much easier. The younger the child, the more time and energy mom or dad will need to invest.

Beast Mastery is fortunate enough to only need a single legendary to be optimal in every situation at the moment. This is particularly great, because Soulforge Embers is a generic legendary that can be used as any Hunter specialization. This means that you could craft it and still be able to use it for Marksmanship and Survival, meaning you would not be as far behind while playing those specs ...

How do you do become a “ Memory Master ” ? Leigh Bortins has a simple formula—repetition over time. If you have been reciting new memory work three times a day the week it is introduced and making time to review all the memory work beginning with week one, you have probably already mastered most of the memory work.
