Download the free chord charts: bass-harmonics-chord-charts Background. Natural harmonics are points on a bass string where an unusual, bell-like tone is produced if you lightly fret just above the fret itself and pluck the string. Jaco Pastorius opened the door for all bass players with his composition 'A Portrait of Tracy'; a jaw-dropping piece of music written in 1976.

In color theory, color harmony refers to the property that certain aesthetically pleasing color combinations have. These combinations create pleasing contrasts and consonances that are said to be harmonious. These combinations can be of complementary colors, split-complementary colors, color triads, or analogous colors. Color harmony has been a topic of extensive study throughout history, but
