combat veteran Brian M. Morris's Green Beret Survival Guide is here to help ease your fears. Using his firsthand knowledge from the field as a Green Beret, Morris concisely outlines the steps that are necessary towards increasing one's personal safety. Over the course of several chapters, Morris describes the importance of situational awareness, meaning staying alert, being aware of your surroundings, and understanding the reality of threats that you may face in any given situation. An individual with good situational awareness never takes anything for granted and makes security a part of his or her daily routine. By being observant and practicing several different methods of observation, one can avoid falling prey to terrorist, thieves, and other criminals. Using situational awareness as the cornerstone of a personal safety plan, The Green Beret Survival Guide delivers expert advice on preparing you and your loved ones for the worst case scenario.

Whether you're a hiker taking a walk through your local wilderness, or a chef looking for new ingredients to incorporate in your dishes, Foraging for Survival is the book for you. As consumerism and a meat-heavy, processed diet become the norm and the world's population continues to grow at an exponential rate, more and more people are looking toward a more sustainable path for food. Authors Douglas Boudreau and Mykel Hawke believe that the future of food lies in the wild foods of times spanning back to before the mass-agriculture system of today. People have become distanced from the very systems that provide their food, and younger generations are increasingly unable to identify even the trees in their backyards. In response, Boudreau and Hawke have provided a compendium of wild edible plants in North America. Foraging for Survival is a comprehensive breakdown of different plant species from bearded lichen to taro, and from all over the United States. There are also tips for growing local native plants in the backyard to facilitate learning and enhance table fare at home. Other information you'll find inside: A list of

With nuclear war looming on the horizon, this new book is a must have for every home. Should a nuclear strike or other calamity happen today, do you have a plan in place to protect your family? Where would you go? What would you eat? How would you survive? "The Survival Guide" is composed of excerpts from military survival experts.

The Tao of Survival focuses on real-world, core survival skills that can save your life anytime and anyplace, in any emergency situation. It delves into fundamental concepts that most survival books don't cover, including how to deal with fear, developing mind/body skills, and fully engaging your senses to be aware of your surroundings. James Morgan Ayres has worked as a consultant for various U.S. government agencies and private corporations, founded four companies, and lived and worked all over the world. He's written seven books, taught seminars on the tao of survival and related subjects, and has been a student and teacher of Asian thought, martial arts, healing, and meditation for more than forty years. He currently lives in Southern California.

Whether you're lost in the woods, facing an armed insurrection, or preparing for a hurricane, the experts at Outdoor Life magazine are the people you want on your side. DIY enthusiasts, tiny house-lovers, and van-lifers will find inspiration and step-by-step instructions in Tin Can Homestead, the ultimate resource for living small in your own Airstream paradise. The Airstream trailer is the ultimate symbol of vintage wanderlust-and the classic touring vehicle's resurgent popularity has dovetailed with the tiny house movement, resonating with design-minded individuals looking to live small. Tin Can Homestead, based on the popular Instagram of the same name, is the ultimate resource for these would-be DIY-ers, and the perfect coffee-table addition for anyone looking for streamlined, modern lifestyle inspiration. Part practical how-to, part lushly illustrated design inspiration, Tin Can Homestead follows the story of one couple as they build themselves a new life in an old Airstream. Through personal stories and down-and-dirty checklists, this book guides readers through all stages of creating their own Airstream homes-from buying a trailer to plumbing and electrical work. With a hip, bohemian aesthetic and a fresh authorial voice, the authors pair their DIY knowledge with lifestyle advice-including décor, design, and entertaining-and abundant illustrations, from in-process photographs to hand-drawn illustrations.
