The short fiction of a writer who helped to
shape the course of American literature.
With a determined commitment to the

history of his native land, Nathaniel Hawthorne revealed, more incisively than any writer of his generation, the nature of a distinctly American consciousness. The pieces collected here deal with essentially American matters: the Puritan past, the Indians, the Revolution. But Hawthorne was highly - often wickedly - unorthodox

in his account of life in early America, and his precisely constructed plots quickly engage the reader's imagination. Written in the 1820s, 30s, and 40s, these works are informed by themes that reappear in Hawthorne's longer works: *The Scarlet Letter*, *The House of the Seven Gables* and *The Blithedale Romance*. And, as Michael
