Historical Thinking - Sam Wineburg - Google Books

Although the book covers a great deal of territory, the fact that Historical Thinking and Other Unnatural Acts comprises a wide-ranging assortment of issues can be viewed as a strength of the book from the standpoint of a reflective practitioner hoping to enrich his or her understandings of the historical enterprise. Wineburg would also have done well to have written a concluding chapter in which he shared his own reflections about his work, his beliefs, and the themes of his book.

Historical Thinking and Other Unnatural Acts: Charting the ...

Thinking about history is unnatural according to Wineburg. He is correct. Most people do not even consider the past at all. Yet, their lives are heavily intertwined with history on a daily basis. It is interesting how many people do not know much of anything about history, yet make decisions that rely upon their bad knowledge all the time.
