The remarkable autobiography of Paul Rusesabagina, the globally-recognized human rights champion whose heroism inspired the film Hotel Rwanda " Fascinating...your book is called An Ordinary Man, yet you took on an extraordinary feat with courage, determination, and diplomacy. " – Oprah, O, The Oprah Magazine As Rwanda was thrown into chaos during the 1994 genocide, Rusesabagina, a hotel manager, turned the luxurious Hotel Milles Collines into a refuge for more than 1,200 Tutsi and moderate Hutu refugees, while fending off their would-be killers with a combination of diplomacy and deception. In An Ordinary Man, he tells the story of his childhood, retraces his accidental path to heroism, revisits the 100 days in which he was the only thing standing between his " guests " and a hideous death, and recounts his subsequent life as a refugee and activist.

The making of the motion picture "Hotel Rwanda."

This important reference work offers students an accessible overview of the Rwandan Genocide, with more than 100 detailed articles by leading scholars on an array of topics and themes and 20 key primary source documents. • Elucidates the many factors, from economic motivations to international malaise, that contributed to the Rwandan Genocide • Profiles male and female perpetrators who led, participated in, and planned the genocide • Highlights the stories of Rwandan and foreign heroes who risked and, in some cases, lost their lives to save others • Sketches the many complexities that help explain why the United Nations and the international community at large failed to stop the atrocities

In 2004, the Academy Award – nominated movie Hotel Rwanda lionized hotel manager Paul Rusesabagina for single-handedly saving the lives of all who sought refuge in the Hotel des Milles Collines during Rwanda's genocide against the Tutsi in 1994. Because of the film, the real-life Rusesabagina has been compared to Oskar Schindler, but unbeknownst to the public, the hotel's refugees don't endorse Rusesabagina's version of the events. In the wake of Hotel Rwanda's international success, Rusesabagina is one of the most well-known Rwandans and now the smiling face of the very Hutu Power groups who drove the genocide. He is accused by the Rwandan prosecutor general of being a genocide negationist and funding the terrorist group Democratic Forces for the Liberation of Rwanda (FDLR). In Inside the Hotel Rwanda, survivor Edouard Kayihura tells his own personal story of what life was really like during those harrowing 100 days within the walls of that infamous hotel and offers the testimonies of others who survived there, from Hutu and Tutsi to UN peacekeepers. Kayihura tells of his life in a divided society and his journey to the place he believed would be safe from slaughter. Inside the Hotel Rwanda exposes Paul Rusesabagina as a profiteering, politically ambitious Hutu Power sympathizer who extorted money from those who sought refuge, threatening to send those who did not pay to the genocidaires, despite pleas from the hotel's corporate ownership to stop. Inside the Hotel Rwanda is at once a memoir, a critical deconstruction of a heralded Hollywood movie alleged to be factual, and a political analysis aimed at exposing a falsely created hero using his fame to be a political force, spouting the same ethnic apartheid that caused the genocide two decades ago.

NEW YORK TIMES BESTSELLER • “ The plot provided by the universe was filled with starvation, war and rape. I would not—could not—live in that tale. ” Clemantine Wamariya was six years old when her mother and father began to speak in whispers, when neighbors began to disappear, and when she heard the loud, ugly sounds her brother said were thunder. In 1994, she and her fifteen-year-old sister, Claire, fled the Rwandan massacre and spent the next six years migrating through seven African countries, searching for safety—perpetually hungry, imprisoned and abused, enduring and escaping refugee camps, finding unexpected kindness, witnessing inhuman cruelty. They did not know whether their parents were dead or alive. When Clemantine was twelve, she and her sister were granted refugee status in the United States; there, in Chicago, their lives diverged. Though their bond remained unbreakable, Claire, who had for so long protected and provided for Clemantine, was a single mother struggling to make ends meet, while Clemantine was taken in by a family who raised her as their own. She seemed to live the American dream: attending private school, taking up cheerleading, and, ultimately, graduating from Yale. Yet the years of being treated as less than human, of going hungry and seeing death, could not be erased. She felt at the same time six years old and one hundred years old. In The Girl Who Smiled Beads, Clemantine provokes us to look beyond the label of “ victim ” and recognize the power of the imagination to transcend even the most profound injuries and aftershocks. Devastating yet beautiful, and bracingly original, it is a powerful testament to her commitment to constructing a life on her own terms.

'A withering assault on the murderous regime of Kagame, and a melancholy love song to the last dreams of the African Great Lakes' John Le Carre A new book from the award winning author of In the Footsteps of Mr Kurtz, Do Not Disturb explores the controversial career of Paul Kagame and the legacy of the Rwandan genocide

In 1994, as his country descended into the madness of genocide, Anglican Bishop John Rucyahana underwent the mind-numbing pain of having members of his church and family butchered. John refused to become a part of the systemic hatred. He founded the Sonrise orphanage and school for children orphaned in the genocide, and he now leads reconciliation efforts between his own Tutsi people, the victims of this horrific massacre, and the perpetrators, the Hutus. His remarkable story is one that demands to be told.
