~~Quilting with the Husqvarna Viking HUSKYLOCK s25 serger~~  
The Huskylock s15 (Amazon) is a mid-range overlocker with 2, 3, and 4 thread stitch ability. A technician I spoke to praised Husqvarna Viking as a brand that makes nice machines. However, I found some concerns about the threading, flimsy front cover, and noise level from buyer reviews. I also wouldn't buy this model over the Brother 4234D.

Threading any serger has the potential for being a daunting task. That is definitely the case with the Huskylock s25. When I first saw this machine, it was set up for four thread and two needles and already partially threaded. I followed the threading guide on the inside of the lower looper door to complete the process and everything looked great.
