Quick book review. Ben Elton on his novel Two Brothers Inconceivable Ben Elton

Different Than The Average: Ben Elton, as many of us fans out there know, tends to write murder thrillers with that touch of comedy that everything he has ever done, and ever will do, has. This however does not follow his traditional murder mystery whodunnit. This book is even written in a totally different narration style.

Inconceivable by Ben Elton - Goodreads

I came to Ben Elton, as an author, quite late. I have read 'Popcorn', 'The First Casualty', 'Two Brothers' and have almost completed 'Inconceivable'. I like Ben Elton as a script writer and love 'Blackadder'. I can imagine this novel being wonderful for people who are dealing with the issues highlighted in this book.

Inconceivable: Amazon.co.uk: Elton, Ben: 9780552146982: Books

Inconceivable is a novel released in 1999 by Ben Elton, following a childless couple's efforts to conceive. The story is told in the form of journal entries by the two principal characters. It was adapted into the film Maybe Baby, which was directed by Elton, and was released in 2000. This article about a 1990s novel is a stub.

Editions of Inconceivable by Ben Elton - Goodreads

From Wikipedia, the free encyclopedia Dead Famous (2001) is a comedy / whodunit novel by Ben Elton in which ratings for a reality TV show, very similar to Big Brother, rocket when a housemate is murdered. Unlike a typical whodunnit, Elton does not reveal the identity of the victim until around halfway into the book.

Lucy desperately wants a baby. Sam is determined to write a hit movie. The problem is that both their efforts seem to be unfruitful. And given that the average IVF cycle has about a one in five chance of going into full production, Lucy's chances of getting what she wants are considerably better than Sam's. What Sam and Lucy are about to go through is absolutely inconceivable. The question is, can their love survive? *Inconceivable* confirms Ben Elton as one of Britain's most significant, entertaining and provocative writers.

Lucy desperately wants a baby. Sam is determined to write a hit movie. The problem is that both their efforts seem to be unfruitful. And given that the average IVF cycle has about a one in five chance of going into full production, Lucy's chances of getting what she wants are considerably better than Sam's. What Sam and Lucy are about to go through is absolutely inconceivable. The question is, can their love survive? *Inconceivable* confirms Ben Elton as one of Britain ' s most significant, entertaining and provocative writers.

Sam and Lucy seem like the perfect couple. Successful, happy and in love. But life isn't that simple. Lucy thinks thinks Sam is a sad, cold sensitivity-exclusion zone who would rather read a newspaper than have an emotion. Sam thinks Lucy is blaming him because she can't walk past Mothercare without getting all teary. The problem is that they might be infertile. And in more ways than one. Lucy wants a baby. Sam wants to write a hit movie. And given that the average IVF cycle has about a one in five chance of going into full production, Lucy's chances of getting what she wants are considerably better than Sam's. What Sam and Lucy are about to go through is absolutely inconceivable. The question is, can their love survive? Or are the odds stacked against them once again?

For amiable City trader Jimmy Corby money was the new Rock n' Roll. His whole life was a party, adrenaline charged and cocaine fuelled. If he hadn't met Monica he would probably have ended up either dead or in rehab. But Jimmy was as lucky in love as he was at betting on dodgy derivatives, so instead of burning out, his star just burned brighter than ever. Rich, pampered and successful, Jimmy, Monica and their friends lived the dream, bringing up their children with an army of domestic helps. But then it all came crashing down. And when the global financial crisis hit, Jimmy discovers that anyone can handle success. It's how you handle failure that really matters.

One house. Ten contestants. Thirty cameras. Forty microphones. Yet again the public gorges its voyeuristic appetite as another group of unknown and unremarkable people submit themselves to the brutal exposure of the televised real-life soap opera, *House Arrest*. Everybody knows the rules: total strangers are forced to live together while the rest of the country watches them do it. Who will crack first? Who will have sex with whom? Who will the public love and who will they hate? All the usual questions. And then, suddenly, there are some new ones. Who is the murderer? How did he or she manage to kill under the constant gaze of the thirty television cameras? Why did they do it? And who will be next?

Stark is a secret consortium with more money than God, and the social conscience of a dog on a croquet lawn. What's more, it knows the Earth is dying. Deep in Western Australia where the Aboriginals used to milk the trees, a planet-sized plot is taking shape. Some green freaks pick up the scent: a pommie poseur; a brain-fried Vietnam vet; Aboriginals who have lost their land...not much against a conspiracy that controls society. But *EcoAction* isn't in society: it just lives in the same place, along with the cockroaches. If you're facing the richest and most disgusting scheme in history, you have to do more than stick up two fingers and say 'peace'.

The war on drugs has been lost but for want of the courage to face the fact that the whole world is rapidly becoming one vast criminal network. From pop stars and princes to crack whores and street kids. From the Groucho Club toilets to the poppy fields of Afghanistan, we are all partners in crime. *HIGH SOCIETY* is a story or rather a collection of interconnected stories that takes the reader on a hilarious, heart breaking and terrifying journey through the kaleidoscope world that the law has created and from which the law offers no protection.

Imagine a world where everyone knows everything about everybody. Where 'sharing' is valued above all, and privacy is considered a dangerous perversion. Trafford wouldn't call himself a rebel, but he's daring to be different, to stand out from the crowd. In his own small ways, he wants to push against the system. But in this world, uniformity is everything. And even tiny defiances won't go unnoticed. Ben Elton's dark, savagely comic novel imagines a post-apocalyptic society where religious intolerance combines with a sex-obsessed, utterly egocentric culture. In this world, nakedness is modesty, independent thought subversive, and ignorance is wisdom. A chilling vision of what's to come? Or something rather closer to home?

Ready to follow Nick Hornsby and Helen Fielding as the next big thing from Cool Britannia to hit America is Ben Elton. Already known to a wide public television audience as the funnyman behind *Blackadder*, *The Young Ones*, and *The Thin Blue Line*, Elton, author of *Popcorn*, lights up the literary sky with *Blast from the Past*. Part noir thriller, part hilarious send-up of the politics of extremism, *Blast from the Past* is the new novel from English comedy phenomenon (stand-up, playwright, television writer, and author) Ben Elton--a name soon to be known in all circles once Joel Schumacher's film of his book *Popcorn* reaches the silver screen. In the early 80s, when Polly was a seventeen-year-old ideological peace protestor and Jack was a U.S. Army captain stationed at England's Greenham Common, the two had a secret and very unlikely affair. No two people could have had more to argue about, save that they couldn't live without each other, yet one day Jack came to the conclusion that he loved soldiering more than Polly and sacrificed their love to be a career army man. Now, sixteen years later, Polly is a lonely thirty-something social services employee and Jack is a four-star general who has returned to Britain to find her, his only true love. With only one night to resolve their differences, and a knife-wielding stalker lurking in the shadows, for everyone concerned this will be a night like no other.

‘ Fast, funny and close to the bone ’ Mail on Sunday Why are we all so hostile? So quick to take offence? Truly we are living in the age of outrage. A series of apparently random murders draws amiable, old-school Detective Mick Matlock into a world of sex, politics, reality TV and a bewildering kaleidoscope of opposing identity groups. Lost in a blizzard of hashtags, his already complex investigation is further impeded by the fact that he simply doesn ’ t ‘ get ’ a single thing about anything anymore. Meanwhile, each day another public figure confesses to having ‘ misspoken ’ and prostrates themselves before the judgement of Twitter. Begging for forgiveness, assuring the public “ that is not who I am ” . But if nobody is who they are anymore - then who the f###k are we? Ben Elton returns with a blistering satire of the world as it fractures around us. Get ready for a roller-coaster thriller, where nothing - and no one - is off limits.
