Walt Disney's Animation which was written by Mindy Johnson and was published last year. It tells the story of animation at Disney, from Snow White and the Seven Dwarfs to Coco and Moana, through the prism of an unsung workforce of trailblazing women who helped create some of the greatest animated movies of all time.

~~Ink & Paint Documentary Coming To Disney+ | What's On ...~~

The idea that women would be allowed to paint nudes – especially male nudes – from life was shockingly improper. Drawing from life is key to learning how to paint realistic human bodies, and you'll notice that most of the 'Great' works from before advent of modernism feature full-length figures, particularly in religious scenes.

~~Where are women in the history of art ... — Women's ...~~

Highlighting the determination and passion that moved women out of the ink & paint department and into the role of animator and beyond, the series seeks to inspire the next generation of animation storytellers, while questioning the inequality between men and women within the creative workforce of animation.
