The second chapter in this section includes three of Freud's papers with Ellman's accompanying commentary: The Dynamics of Transference (1912a), Further Recommendations in the Technique of Psychoanalysis: Recollection, Repetition, and Working Through (1914), and Further Recommendations in the Technique of Psychoanalysis: Observations on Transference-Love (1915). These three papers were well chosen and demonstrate how Freud's thinking changed in regards to the concept of transference.
