Description. Unlike other international marketing texts, *International Marketing, An SME Approach*, takes a truly global approach that pulls in both Western and Asia-Pacific perspectives. SME refers to small and medium sized companies, therefore, the focus is firmly on the role of the transnational firm as an international competitor and the role in international activities of managers of their ...

# File Type PDF International Marketing By Fletcher And Crawford

International marketing is simply the application of marketing principles to more than one country. However, there is a crossover between what is commonly expressed as international marketing and global marketing, which is a similar term. For the purposes of this lesson on international marketing and those that follow it, international marketing and global marketing are interchangeable.
