Introduction to Management Accounting. This is an  
essential tool that enhances a manager's ability to make  
effective economic decisions. 'Introduction to Management  
Accounting' describes both theory and common practices so  
students understand how to produce information that's  
useful in day-to-day decision making.

Introduction to Management Accounting by Charles T.  
Horngren

Introduction to Management Accounting introduces  
concepts and principles early, then revisits them at more  
complex levels. We feel this is the best way to teach this  
subject, as we said, the concepts are more important; so  
getting the foundation in the first few chapters opens up  
the rest of the text.
