Discover why so many successful investors support their investment careers with house hacking—and learn from a frugality expert who has "hacked" his way toward financial freedom!

"Ben has laid out exactly what works in today's market!" -Brandon Turner LUXURY house hacking! Upgrade your lifestyle while reducing costs. Airbnb, vacation rentals, and a luxury primary home. Who is this Book For? Having involved myself with House Hacking I realized that this strategy represents a phenomenal solution for many folks. In fact there are at least 3 groups for whom this book will pave the way toward success! First of all, I have to tell you (and this is based on 10 years of real estate investing experience) that a properly executed house hack is absolutely the most brilliant investment opportunities. This has to be the easiest CASH FLOW I've ever created (and it's substantial). If you've been studying real estate investing but haven't been able to find a way into the game -this is it! Now, let's say that you happen to live in a very expensive market, and have been priced out of owning a home - this book will teach you how to become a homeowner. Yes, you'll need to learn some things. Yes, you'll need to do a bit of work, because not just any house will work. But, you can own a home for less than you thought because a properly structure House Hack will underwrite your cost! Or... Let's say you are quite comfortable where you are. But you happen to have elderly parents who are struggling and it is necessary for you to relocate closer to them. The only problem is that homes are very expensive where they live, and you are not sure how to swing the cost of living. House Hacking - DONE! Or, you are like me, and decide one day that you are tired of living in Ohio and want to relocate someplace where the skies are always blue and palm trees are always pretty. You (like I) want to 10X your life. However, in a market like this property can be expected to be more expensive and you are concerned about cost of living. How to cope? Indeed, a proper house hack allows me to achieve locational freedom! A House Hack is a powerful formula capable of creating solutions for a wide variety is life circumstances. And in this book I will teach you how to do it right! And, remember -- I am doing this as we speak. So, all of the numbers are real-time, and all of the methods discussed are viable in today's market. What Will You Learn in this Book? You will learn how to pick the right location and the right property for your house hack. You will learn the step-by-step process of doing the math, financing, marketing, and running your house hack for most profit. Everything you need to know to do what I do is here! What is a house hack and how can I make money with it? Can house hacking pay for my primary-home mortgage? Should I buy an investment property or should I house sack? A House Hacking Case Study--How I am living in an upscale home for (almost) free How do I choose the best location, neighborhood, and house to house hack? How much money can I make house hacking and does it pay my primary mortgage? How do I rehab and market my house hack for the most profit? How much time does it take to run a vacation rental house hack? Is Airbnb, or HomeAway, or VRBO better for vacation-rental house hacking? How do I handle safety and privacy when house hacking? Will my mortgage allow me to rent out part of my property? What taxes do I have to pay with house hacking? What are the regulations on house hacking? How do I set prices on Airbnb and other sites? And much more.... Why now is the time to read this book.... Everyone talks about real estate as if the choice of what we do, when, and how is entirely up to us. But that's not true. In today's challenging (hot) market, traditional investing advice doesn't work. House hacking has the best financing opportunities, the easiest management overhead, and the most immediate return on investment.

The Active Duty Passive Income team brings you the Second Edition of the #1 bestselling book, Military House Hacking. You will get an in-depth look at multiple strategies that will allow you, the veteran, active duty service member or military spouse, to successfully pursue your dreams through earning enough monthly passive income to live financially free. Included in the new edition are the most recent VA Loan updates, how to repair, maintain and build your credit, how to create a solid financial foundation and more. This book was created with you in mind - to start a spark - to create an epiphany moment that says if we can do it while on active duty, retired or separated, so can you! Implementing what you learn here will have you one foot in the door to real estate investing as you relocate from one duty station to the next or even after service. This book does not prescribe a get rich quick method; it is a condensed guide to demonstrate a path well-followed by many military members. Please enjoy reading Military House Hacking, take time to reflect on how you can employ some of the military-specific strategies, then connect with the ADPI team. Whether you need education, accountability, lending options, credit help, tax consultation, asset protection, or to connect with a military real estate agent, we have the resources and are here to serve our brothers- and sisters-in-arms.

? Have you been telling yourself that doctors, lawyers, and professional athletes are the only people able to build serious financial wealth? ? Are you convinced that your life will never reach financial freedom because you chose the wrong college major or career? ? Do you enjoy your career, but want to supplement your income with investments that pay out right now instead of old age? There is a better way. The term "House Hacking" has come to mean "using your primary residence as an investment vehicle." Doing so can greatly reduce and even eliminate the largest monthly cost for most individuals - housing. It makes large investment assets (residential rental properties) available to individuals who would not otherwise be able to build significant and timely wealth from their career or side hustle. This book will walk you, step by step, through Bryce's journey from being an indebted 6th grade teacher barely able to pay his bills every month to a retired real estate investor at age 35. Bryce shares the highs and lows of "House Hacking" and gives valuable lessons so that you can begin to replicate his success in your own life.

Over the many years that we've been serving real estate investors, one of the most asked questions on our site has been, "How Do I Get Started in Real Estate Investing?" New investors will love the fundamentals and even experienced investors will appreciate the high-level view of strategies they may have never even considered. Don't let some guru tell you what the right path is for you. Read How to Invest in Real Estate and see all the paths in one place, so you can make the best choice for you, your family, and your financial future. This book will help new investors get a firm foundation to build their investing business upon. With topics ranging from how to gain a solid real estate education, real estate niches, financing, marketing, and more, this book is truly the definitive guide for helping new investors learn the ropes.

Set yourself up for life as early as possible, and enjoy life on your terms By layering philosophy with practical knowledge, Set for Life gives young professionals the fiscal confidence they need to conquer financial goals early in life. Are you tied to a nine-to-five workweek? Would you like to "retire" from wage-paying work within ten years? Are you in your 20s or 30s and would like to be financially free?the sort of free that ensures you spend the best part of your day and week, and the best years of your life, doing what you want? Building wealth is always possible, even while working full-time, earning a median income, and making up for a negative net worth. Accumulating a lifetime of wealth in a short period of time involves working harder and smarter than the average person, and Scott Trench--investor, entrepreneur, and CEO of BiggerPockets.com--demonstrates how to do just that. Even starting with zero savings, he demonstrates how to work your way to five figures, then to six figures, and finally to the ultimate goal of financial freedom. Wealth isn't just about a nest egg, setting aside money for a "rainy day" or accumulating an emergency fund. True wealth is about building out a Financial Runway/creating enough readily accessible wealth that you can survive without work for a year. Then five years. Then for life. Readers will learn how to: Save more income--50+ percent of it, while still having fun Double or triple your income in three to five years Track your financial progress in order to achieve the greatest results Build frugal and efficient habits to make the most of your lifestyle Secure "real" assets and avoid "false" ones that destroy wealth

Do you know how you'll fund your retirement? It's true that most people won't have nearly enough money to last them for the long run.
