Stephenson returns to his hometown of Lava Hot Springs, Idaho, in the 1950s, sharing his adventures of friendship, fishing, horseback riding, camping, and mischief making.

Analyzing the structures of transnational organized crime, this book considers whether traditional mechanisms and national jurisdictions can tackle this increasing menace. Highlighting the strengths and weaknesses in the present methods of control, the book discusses the possibilities of developing more effective national and international strategies, the creation of non-

and influential women share these tender and uplifting moments from their own childhoods and teenage years. Isabel Allende tells of her parents' priceless gift in encouraging her to express her creativity; Faye Wattleton describes how a checkered and difficult childhood shaped her into the determined leader she is today; novelist Amy Tan explores the life of a young girl and her relationship to her mother in *The Joy Luck Club*. The book includes photographs of some of the contributors at the age they appear in their stories, as well as brief biographies of each. *Girls Like Us* celebrates the

poignant coming-of-age moments experienced by prominent women of this century. This book is a great anthology for everyone wishing to cultivate and remember what it is to be young again.

It is said that the discovery and use of antibiotics against infectious diseases is one of the developments in the field of medicine that has contributed about twenty years to the average lifespan of humans in developed countries where these practices are employed. Yet, based on the 35 million patients admitted to the acute-care

institutions in the US, the incidence of hospital-acquired infections is more than two million cases per year. Burke Cunha explores this important topic in this timely new issue of Critical Care Clinics. Including articles on Antibiotic Therapy of IV Central Line, Tigecycline in Critical Care, and Antibiotic Resistance: Prevention and Control in Critical Care, this issue is a must-have reference for any clinician in the critical care field.

escalating conflict reached beyond his imagination. Captured by the Confederate army following his unit's first real skirmish, Danny faces his worst fears with courage and resilience even he never knew he had. In the process, he discovers humanity-and eventually love-among the "enemy" he once fought so bravely to subdue.
