Well Spoken And Clear

As you communicate with people, they come to know you both as an individual and as a professional. The only way that people can sense your intelligence and professionalism is through the effectiveness of your communication: what they hear you say, the attitude that they perceive, and the very sound of your voice.

It's the Way You Say It: Becoming Articulate, Well-Spoken ...

It Ain ' t What You Say, It ' s the Way That You Say It If there is one argument I love to have, it ' s debating the concept of professional language. Too often, it describes flawed attempts to emulate an academic thesis or a Victorian bank manager.

It Ain ' t What You Say, It ' s the Way That You Say It

Michael combines historic references and
