Marcus Berkmann, author of the cricket classics *Rain Men* and *Zimmer Men*, returns to the great game with this irresistible miscellany of cricketing trivia, stories and more fascinating facts than Geoffrey Boycott could shake a stick of rhubarb at. Which England captain smoked two million cigarettes in his lifetime? Which Australian captain, asked what his favourite animal was, said 'Merv Hughes'? What did Hitler think of cricket? Which National Hunt trainer had a dog called Sobers? Who was described in his obituary as 'perhaps the only unequivocally popular man in Yorkshire'? No other sport is so steeped in oddness and eccentricity. There's the only Test player ever to be executed for murder, the only first-

class cricketer to die on the Titanic, and the only bestselling author to catch fire while playing at Lord's. (It was Sir Arthur Conan Doyle. The ball hit a box of matches in his pocket.) All cricket is here, including an XI entirely made up of players who share their names with freshwater fish.

The fifth edition of Wisden India Almanack has essays from the best writers, and those from other fields who are passionate about the sport, like the CEO of Microsoft, Satya Nadella. The coverage of domestic cricket is both extensive and original. The Almanack is actually four books in one: a volume of essays, a book of records, an annual of matches played, and a miscellany of unusual occurrences, all of which make for a great read. It is a treat for the cricket

fanatic, and for those interested in fine writing and intriguing stories.

The Shorter Wisden is a compelling distillation of what's best in its bigger brother – and the 2017 edition of Wisden is crammed, as ever, with the best writing in the game. Available from all major eBook retailers, Wisden's digital version includes the influential Notes by the Editor, all the front-of-book articles, including Matthew Engel looking back at 60 years of Test Match Special, Derek Pringle revealing the secrets of ball-tampering, and Gideon Haigh exploring the evolution of the six. There are also superb pieces by Rob Smyth, Vic Marks and Tanya Aldred, plus reviews, obituaries and all England's Tests from the 2016 season. In an age of snap judgments,

Wisden's authority and integrity are more important than ever. Yet again this year's edition is truly a "must-have" for every cricket fan. "There can't really be any doubt about the cricket book of the year, any year: it's obviously Wisden" Andrew Baker in the Daily Telegraph @WisdenAlmanack

Should businessmen who commit fraud go to prison? This question has been asked repeatedly since 2008. It was also raised in nineteenth-century Britain when the spread of corporate capitalism created enormous new opportunities for dishonesty. Historians have presented Victorian Britain as a haven for white-collar criminals, beneficiaries of a prejudiced criminal justice system which only dealt harshly with offences by the poor. Boardroom

Scandal challenges these beliefs. Based on an unparalleled sample of legal cases - many examined here for the first time - James Taylor presents a radical new interpretation of the relationship between capitalism and the law. Initially, there were no criminal sanctions against publishing false prospectuses, concealing losses in balance sheets, and even misappropriating company money. But parliament became convinced of the need to criminalize these practices to protect the culture of stock market investment on which mid-Victorian prosperity increasingly rested. Persuading judges to play along was harder, with many invoking the principle of caveat emptor to exonerate defendants. But by the end of the century, successful prosecutions of company executives were

Read Online James Taylor Cut Short

commonplace. These trials performed multiple functions: they stabilized confidence in times of crisis; they dramatized the class blindness of the law; and they were increasingly seen as essential as faith in a self-regulating economy ebbed. The criminalization of fraud, therefore, has far-reaching implications for our understanding of nineteenth-century Britain. It also has relevance today in light of the on-going economic crisis and the issues it raises regarding business ethics and the role of the state.

Reveals the neglected mode of knowing and learning, from Socrates to the middle ages and beyond, that relies more on the integrated powers of sensory experience and intuition, rather than on modern narrow scientific models of education.

There is a lot of mystery that surrounds sports agents and their roles in the lives of their high profile clients. Many perceive the life to be glamorous, spending time with celebrities and earning a lot of money for doing easy or very little work. The Life of a Sports Agent reveals how very wrong this perception is. Having been a high profile sports agent for nearly 10 years, with clients such as James Anderson, Sam Quek, Nile Wilson, James Taylor, and Simon Mignolet, Luke Sutton has an incredible insight into the world of sports management across a number of areas. In his new book, The Life of a Sports Agent, Luke reveals stories and personal experiences about the

sporting stars he has encountered, both the good and bad, and his very honest opinions about them. This book also aims to give people a true look into how this mysterious industry works, and highlights the important lessons Luke has learned during his career. The Life of a Sports Agent follows Luke's 2019 autobiography, Back from the Edge.
