Julius Caesar is one of Shakespeare's most compelling Roman plays. The plot against Caesar and the infamous assassination scene make for unforgettable reading. Brutus, the true protagonist of the play, is mesmerizing in his psychological state of anguish, forced to choose between the bonds of friendship and his desire for patriotic justice.

final conclusion : julius caesar Well no wonder this plays called tragedy, because at end, everybody dies, some killed by the opponent, but most of their leader commited suicide, it was the honorable choice rather than being capture and taken as a prisoner.

Hobby Buku's Classic: FINAL CONCLUSION : JULIUS CAESAR

Julius Caesar, celebrated Roman general and statesman, the conqueror of Gaul (58–50 BCE), victor in the civil war of 49–45 BCE, and dictator (46–44 BCE), who was launching a series of political and social reforms when he was assassinated by a group of nobles in the Senate House on the Ides of March.

Julius Caesar (Book, 1992) [WorldCat.org]

Julius Caesar (Wordsworth Classics) Paperback – 5 May 2004 by William Shakespeare (Author), Professor Cedric Watts M.A. Ph.D. (Editor, Introduction), Dr Keith Carabine (Series Editor) & 0 more

To the events surrounding the assassination of Julius Caesar in 44BC, Shakespeare

introduces the dangerous themes of thwarted ambition and political reaction.

A wide-ranging selection from the most recent criticism of Antony and Cleopatra, beginning with seminal work from the 1950s onwards and culminating in a series of radical reappraisals of the play's content, form and appeal to modern readers. The essays, together with a substantial Introduction, offer a controversial, lively re-reading of one of Shakespeare's major tragedies.

What is the play really about? Tragedy, history, problem play - what is its genre? Who, if anyone, is the play's hero? Is the murder of Caesar justified? Is Brutus a hypocritical Stoic? How does posthumous characterisation work? What makes the play so topical? "Julius Caesar" has long been regarded as one of Shakespeare's greatest dramas. Some of its phrases live on famously: "Beware the Ides of March"; "Et tu, Brute?"; and "Friends, Romans, countrymen: lend me your ears!". When Cassius says, "How many ages hence / Shall this our lofty scene be acted over, / In states unborn and accents yet unknown?", his question is indeed prophetic: history's answer has transformed the question into a boast. This concise, clear introduction explains just why. Professor Cedric Watts, M.A, Ph.D., is the editor of the Wordsworth Classics' Shakespeare Series. In 2020, this book was banned by Amazon!

This text by Suetonius, a Latin biographer, is a major source for the period from Julius Caesar to Domitian. It sets out a great range of aspects illuminating the emperors' characters, their habits - from table to bedchamber - their intrigues, loves and their deaths.

Offers biographies of Greek and Roman leaders and compares their personal qualities and accomplishments.

This "captivating biography" of the great Roman general "puts Caesar's war exploits on full display, along with his literary genius" and more (The New York Times) Tracing the extraordinary trajectory of the Julius Caesar's life, Adrian Goldsworthy not only chronicles his accomplishments as charismatic orator, conquering general, and powerful dictator but also lesser-known chapters during which he was high priest of an exotic cult and captive of pirates, and rebel condemned by his own country. Goldsworthy also reveals much about Caesar's intimate life, as husband and father, and as seducer not only of Cleopatra but also of the wives of his two main political rivals. This landmark biography examines Caesar in all of these roles and places its subject firmly within the context of Roman society in the first century B.C. Goldsworthy realizes the full complexity of Caesar's character and shows why his political and military leadership continues to resonate thousands of years later.

This text covers Caesar's rise to power, and deals in detail with his campaign in Gaul. It follows his career from then until his death, through the conflict with Pompey and the futile Alexandrian campaign. The tactics and strategy of Caesar's

Read PDF Julius Caesar Wordsworth Classics

wars are related to their political and diplomatic matrix, and through his conduct as a general, much of his character is revealed. Fuller concludes that Caesar was no innovator in the art of war, but that his great gift was for dash - frequently extracting himself from an apparently impossible position by the speed and impetus of his response. But frequently the position was due in the first place to Caesar's own error.
