This second edition for Cambridge O Level Commerce syllabus (7100) is thoroughly updated for first examination from 2018. Written by an experienced author in an engaging and accessible style this Coursebook provides comprehensive coverage of the syllabus and contains lots of activities and practice questions to help students apply commercial theory, with up-to-date, real-life examples.

Cambridge O Level Mathematics is a resource to accompany the revised 4024 syllabus. This coursebook provides a complete course for developing and practising the skills required for the O Level Mathematics qualification. The content has been written to offer a range of tasks that support all aspects of the Cambridge O Level Mathematics syllabus (4024) giving students the confidence to use the mathematical techniques required to solve the range of maths problems required. With detailed explanations of concepts, worked examples and exercises, this coursebook can be used as a classroom text and for self-study.

The examining team reviewed P2 Practice & Revision Kit provides invaluable guidance on how to approach the exam and contains many of the long, case study questions that you will find in the exam. Three mock exams provide you with more essential practice and marking schemes show you how the examiner awards marks.

The Extending Knowledge and Skills series is a fresh

approach to A Level Psychology, designed for greater demands of the new AQA specification and assessment, and especially written to stretch and challenge students aiming for higher grades. Dealing with the top of AQA 's Paper 3: Relationships, this book is deliberately laid out with the assessment objectives in mind, from AO1: Knowledge and Understanding material, followed by AO2: Application material, to AO3: Evaluation and analysis material. Providing the most in-depth, accessible coverage available of individual topics in Paper 3, the text is packed full of pedagogical features, including: Question Time features to ensure that the reader is consistently challenged throughout the book. New research sections clearly distinct within each chapter to ensure readers have access to the most cutting-edge material. A clear focus on the assessment objectives for the paper topic to ensure readers know when and where to apply knowledge. The use of example answers with examiner-style comments to provide greater insight into how to/how not to answer exam questions. An engaging, relevant and challenging text which broadens student understanding beyond that of the average textbook, this is the essential companion for any student taking the AQA A Level Paper 3 in Psychology.

The only endorsed resources for the Cambridge International AS Level English General Paper syllabus. Through exploration of a wide array of topics, from celebrity culture to poetry in the modern world, this book focuses on strengthening communication, evaluation, analysis, application and understanding skills. Helping students improve their written responses, use of English and comprehension, this coursebook looks at discussion points relevant to the globally-minded classroom. With frequent practice questions and sample answers, students have
