JUVENILE DELINQUENCY: THE CORE is accompanied by a robust Study Guide designed to ensure students get the most out of the text as well as their classroom experience. The Learning Objectives, detailed Chapter Summaries, Chapter Outlines, and Key Terms with Definitions, which allow students to conduct an in-depth review of the material at their own pace, are followed by a series of multiple-choice, true/false, fill-in-the-blank, and short response questions which students can then use to assess their knowledge.

Thoroughly updated, the Study Guide includes the following elements to help students get the most out of their classroom experience: learning objectives, a chapter summary, key terms and concepts, and a self-test. The self-test consists of multiple choice, fill-in-the-blank, true/false, and essay questions.

"This is a comprehensive introduction to the study of crime and criminological theory for criminology courses. The authors take a critical sociological approach, which emphasizes the relationship between gender, class, race, age, and crime. Definitions of crime and the measurement of crime are subjected to a critical analysis that focusses on the social construction of crime and crime rates. The book addresses historical, feminist, and comparative perspectives highlighting the major types of crime and victimization patterns. It is of most interest to those who teach criminology out of a sociology department, those who are sociologists teaching the course out of CJ, or any instructor for whom a critical approach is key"--
