I have been given a JVC UX C7 micro system. This has got to be at least 10 years old but is working so I am looking for an owners manual for it. Have been looking on the net for downloads but am unsure of these sites as they seem to want to download other things as well. Can anybody recommend a trusted site where I can download a copy from.

I have been trying to buy a JVC UX-C7 for the last month and have been unable to locate it. It seems to have been superceeded by a three disc changer model. My brother had bought the UX-c7 back from Japan 2 years ago and I was most impressed with the features, and the sound. So I am trying to find the 6 Disc changer model.
