An enthralling story of a poor and gawky kid who mysteriously becomes the world’s greatest goalkeeper – a seamless blend of magic realism and exhilarating soccer action. "And you found it, this thing you were looking for?" It was darker now, and the city below Faustino's office was a jazzy dance of neon signs and traffic. The big man went to the window and looked down at it all, spreading his large hands on the glass. "No," he said. "It found me." When Paul Faustino of LA NACION flips on his tape recorder for an exclusive interview with El Gato – the phenomenal goalkeeper who single-handedly brought his team the World Cup – the seasoned reporter quickly learns that this will be no ordinary story. Instead, the legendary El Gato ("The Cat") quietly narrates a spellbinding tale that begins in a mythic corner of the South American rain forest, where a ghostly but very real mentor, the Keeper, emerges to teach the gangly boy the most thrilling secrets of the game. Combining vivid imagery and heart-stopping action, this evocative, strikingly ethereal novel about loyalty, passion, and magic will haunt readers, regardless of their love for soccer, long after the story is ended.

In an interview with a young journalist, World Cup hero, El Gato, describes his youth in the Brazilian rain forest and the events, experiences, and people that helped make him a great goalkeeper and renowned soccer star.
From the award-winning author of TAMAR, a time-shifting thriller about a vanishing soccer star, occult secrets, and the dark history of slavery. As the city of San Juan pulses to summer’s sluggish beat, its teenage soccer prodigy, El Brujito, the Little Magician, vanishes without a trace -- right after he misses a penalty kick and loses a big game for his team. Paul Faustino, South America’s top sports reporter, is reluctantly drawn into the mystery of the athlete’s disappearance. As a story of corruption and murder unfolds, Faustino is forced to confront the bitter history of slavery and the power of the occult. A deftly woven mystery flush with soccer and suspense, this gripping novel is a thrilling read not to be missed.

From acclaimed British sensation Mal Peet comes a masterful story of adventure, love, secrets, and betrayal in time of war, both past and present. When her grandfather dies, Tamar inherits a box containing a series of clues and coded messages. Out of the past, another Tamar emerges, a man involved in the terrifying world of resistance fighters in Nazi-occupied Holland half a century before. His story is one of passionate love, jealousy, and tragedy set against the daily fear and casual horror of the Second World War -- and unraveling it is about to transform Tamar's life forever.

Carnegie Medalist Mal Peet takes a searing look at the world of soccer and pop-celebrity culture -- and the lives of three street kids caught in its glare. (Age 14 and up) When a black South American soccer star signs on to a team in the country’s racist south, headlines blare. And when he falls for the sensual Desmerelda, a stunning white pop singer and daughter of a wealthy politician, their sudden and controversial marriage propels the pair to center stage, where they burn in the media spotlight. But celebrity attracts enemies; some very close to home. And its dazzle reaches into the city’s hidden corners, exposing a life of grit and desperation the glitterati could never imagine. When a girl is found murdered, reporter Paul Faustino is caught between worlds as he witnesses the power of the media in making -- and breaking -- lives. Inspired by Shakespeare’s OTHELLO, this modern tragedy of desire and betrayal, incisively and compassionately told, is a truly enthralling work of crossover fiction.
From Carnegie Medal-winning author Mal Peet comes a sweeping coming-of-age adventure, both harrowing and life-affirming. Born of a brief encounter between a Liverpool prostitute and an African soldier in 1907, Beck finds himself orphaned as a young boy and sent overseas to the Catholic Brothers in Canada. At age fifteen he is sent to work on a farm, from which he eventually escapes. Finally in charge of his own destiny, Beck starts westward, crossing the border into America and back, all while the Great Depression rages on. What will it take for Beck to understand the agonies of his childhood and realize that love is possible?

How hard can it be to write a fantasy trilogy? From Carnegie Medalist Mal Peet comes an outrageously funny black comedy about an impoverished literary writer who makes a pact with the devil. Award-winning YA author Philip Murdstone is in trouble. His star has waned. The world is leaving him behind. His agent, the ruthless Minerva Cinch, convinces him that his only hope is to write a sword-and-sorcery blockbuster. Unfortunately, Philip-allergic to the faintest trace of Tolkien—is utterly unsuited to the task. In a dark hour, a dwarfish stranger comes to his rescue. But the deal he makes with Pocket Wellfair turns out to have Faustian consequences. The Murdstone Trilogy is a richly dark comedy described by one U.K. reviewer as "totally insane in the best way possible."
