Science Paper Spinners

I was so surprised at

how well these easy

paper spinners (or

paper helicopters)

Access Free Ks2 Science

Paper Spinners worked, they take less than two minutes to put together, spin amazingly well and inspire some great investigations. They are also part of my Tray a Day series, so do follow along on the Science Sparks Facebook page.. I've also got lots more easy paper science challenges you might like to try.

for Year 6 pupils. Find other lesson plans and resources at www.hamilton-trust.org.uk.

Spinner investigation |
Teaching Resources
The paper spinner spins as it falls. When it starts its fall, the air pressure under the wings increases (air resistance). This causes an upward force

Access Free

Ks2 Science

Paper Spinners

underneath the wings which slows the spinner down. The increased pressure also causes a sideways push on the vertical part at the top of the spinner (where the pink dot is).
