A forever letter is a gift that will be read over and over again Inspired by the centuries-old Jewish tradition of the ethical will, a forever letter is a perfect way to share your most precious possessions: your values, wisdom, and love with the people who matter to you most. And you don't have to do it alone. Through empowering stories, sample letters, and writing tips, author Elana Zaiman serves as your companion on this journey of self discovery and deepening relationships. Praise: "I love this little book because it's about writing real letters, a lost art in our time. Even more important, it's about writing letters that matter to people who matter to us. What could be better than putting words to paper to tell people who we are and what we are becoming, and what it is that we cherish and value—thanking them for the way they helped point us toward our own North Star?"—Parker J. Palmer, author of Let Your Life Speak and A Hidden Wholeness "Elana Zaiman has a mission: She loves connection, deep and personal, and wants others to experience the sweet joy she has lived of shared truth-telling. Her forever letter embodies the passing on of wisdom, humbling experience, dreams, and love from one person to another. It is a beautiful concept that all of us should embrace."—Julie Schwartz Gottman, PhD, co-founder of the Gottman Institute and author of Ten Principles for Doing Effective Couples Therapy
