Sean Long is one of the finest rugby league half-backs to ever pick up the oval ball. Long started his pro career at his hometown club Wigan Warriors and, after a short stop-over at Widnes, he was signed by St Helens in 1997 to fill the boots of another Saints legend, Bobby Goulding. It wasn't long before the Knowsley Road faithful took Longy to their hearts. Long has won every major honour in the game at club level and is the only player in Challenge Cup history to win the Lance Todd Trophy three times as man of the match in the 2001, 2004 and 2006 finals. He also won 15 caps for Great Britain and five for England before retiring from international rugby on 16 April 2007. Still one of the most colourful characters ever to play the game, he continues to wear the No 7 shirt at St Helens.

Sean Long is Super League's No 1. bad boy, and when it comes to off-the-pitch madness, no one comes close. Here, the flamboyant St. Helens superstar tells his hilarious, shocking, and explosive life story—packed with amazing tales of booze, brawls, sex, and scandal. The only player to win the Lance Todd Trophy three times tells the inside story of that bet against his own team and exposes secrets that will shock the rugby league establishment to its core. In his own words, he describes with startling honesty the hellraising experiences of his rag-to-riches journey. But it isn't all about his wild reputation—Long has also had an incredible rugby league career, winning every major honor in the game at club level as well as notching up 15 caps for Great Britain and another five for the England side. He has twice set the Super League record for the most points scored in a season, with 284 in 1999 and a staggering 352 in 2000. Not just for rugby league fans, this book is a must-read for anyone with a taste for life on the wild side.

Moz: My Story is the compelling autobiography of England and Great Britain Rugby League legend Adrian Morley. As one of the most prolific players of the last 15 years, in 2011 Morley became the most-capped England/Great Britain rugby league player of all time. He is famous for his 'big hits' and rock hard determination, and is respected throughout the game by players and fans alike. Now Morley tells it how it is, from his tough upbringing to brushes with the law to his incredible career in the toughest sport of them all.

Coming Clean is the startlingly frank story of former Great Britain rugby league player, the late Terry Newton. Notorious as the first ever athlete to test positive for taking the banned drug Human Growth Hormone, Terry explains what drove a star player to end a glittering career in such a cloud of controversy.

Keith Senior is Mr Super League. The veteran Leeds Rhinos and former Great Britain centre has been one of the competition's most exciting and controversial talents since it began in 1996. This autobiography offers an account of how he went from council estate to country estate.

Dean Windass is one of the real characters of British football. Though never far from controversy, Deano's reputation as an old fashioned centre-forward hitting the target over 200 times in his career, has made him popular with fans and players alike. This is the story of a hardworking pro who stands out as a real man in the modern game.

#1 NEW YORK TIMES BESTSELLER • With a new afterword by the author in honor of Frank Sinatra's 100th birthday This is the book that Frank Sinatra tried—but failed—to keep from publication, and it's easy to understand why. This unauthorized biography goes behind the iconic myth of Sinatra to expose the well-hidden side of one of the most celebrated—and elusive—public figures of our time. Celebrated journalist Kitty Kelley spent three years researching government documents (Mafia-related material, wiretaps, and secret testimony) and interviewing more than 800 people in Sinatra's life (family, colleagues, law-enforcement officers, friends). The result is a stunning, often shocking exposé of a man as tortured as he was talented, as driven to self-destruction as he was to success. Featuring a new afterword by the author, this fully documented, highly detailed biography—filled with revealing anecdotes—is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty years and continues to fascinate to this day. Praise for His Way “The most eye-opening celebrity biography of our time.”—The New York Times “A compelling page-turner . . . Kitty Kelley's book has made all future Sinatra biographies virtually redundant.”—Los Angeles Herald Examiner

Billy Slater has been called the best fullback ever to have played the game by rugby league greats and fans alike. With a glittering collection of personal and club honours, including four grand final wins, five Dally M awards and two Clive Churchill Medals, he has delighted fans of the Melbourne Storm, Queensland State of Origin and the Australian Kangaroos for sixteen years. More than just a decorated player, however, Slater is a widely regarded and respected figure in the sport. A young country recruit with superb natural talent, he debuted for the Storm after only one pre-season in Melbourne and sent shockwaves through State of Origin in just his second season. But Slater capitalised on his talent with a fierce competitive drive and a relentless work ethic, which he learned from his parents and honed working in the racing industry before hitting the NRL stage. As well as many celebrated victories, Slater's career has seen him confront the Melbourne Storm salary cap scandal, heartbreaking losses and a devastating shoulder injury that made him fear that he would never hold his children again, let alone compete in a brutal sport like rugby league. Through it all Slater has emerged not merely as a great of the game, but as an even more resilient character, an ambassador for his sport, and a devoted husband and father. Featuring contributions from rugby league legends like Cooper Cronk, Craig Bellamy, Darren Lockyer and Cameron Smith, and from the Slater family, this edition is updated to include Billy's final season in the NRL before farewelling the game.

Jamie Peacock is known and respected as one of the most powerful and redoubtable forwards in world rugby. The inspirational skipper at Bradford Bulls until 2005, when he helped them claim the Super League Trophy, the 2003 Man of Steel is now a key figure at hometown club Leeds Rhinos, who he helped to

the title in 2007. Having just led Great Britain to their first Test series win in fourteen years, he is also set to captain England in the much-anticipated 2008 World Cup. Coming from a forthright Yorkshireman, this autobiography will pull no punches in describing rugby league as Jamie sees it. Replete with opinions and anecdotes, it is essential reading for anyone with an interest in the modern game. This new paperback edition is fully updated to include the 2008 Rugby League World Cup.
