•••" H.

Turley, Reader

Emily Vargas has
been taken

captive. As part
of his

conditioning
methods, her

captor refuses

to speak to her,
knowing how much

she craves human
contact. He's

Where To Download Mafia

far too beautiful to be
a monster.

Combined with
his lack of
violence toward
her, this has
her walking a
fine line at the
edge of sanity.

Told in the
first person
from Emily's
perspective,

Where To Download Mafia

Captive Kitty is a tale of erotic surrender that explores what happens when all expectations of pleasure and pain are turned upside down, as whips become comfort and chicken soup becomes punishment.

Saying About

Comfort Food:

Thomas
"If you enjoy
reading romance

with some
vanilla sex and
a dusting of

then this is
probably NOT the

you want to

steamy hot BDSM

mind blowing
ending, then go

Wendy G "This is
a very unusual

and good story
that explores
themes of power,
control,
dominance and
enforced
submission and
the psychology
of captivity,
isolation and
reliance, but as
it turns out the
story is told
from the

Where To Download Mafia

perspective of
both the
Dominant Master
as well as Emily
and her journey
into
submission."

-Carocaró "Kitty
Thomas took me
on a
psychologically
revealing roller
coaster of a
ride in Comfort

Food. It's a story that explores dominance & control, forced captivity, sensory deprivation, non-con BDSM, & eventual forced submission..." - Angela Wallace
"Comfort Food is crazy. Emily

Where To Download Mafia

Vargas is crazy.
Her captor is
definitely
crazy. And,
after reading
this book, I
think I might be
a little crazy.
Can a book give
you Stockholm
syndrome by
proxy? Because
it definitely
feels that way."

Where To Download Mafia

-Letitia "The
exploration of
Stockholm
syndrome was
insightful. To
see conditioning
techniques
successfully
applied was
fascinating.
This is a
memorable tale;
I certainly have
never read a

Where To Download Mafia

story like it. I
read it in a few
hours. The

erotica was dark
BDSM / master-
slave." -

Sinfunni " I
wonder if

perhaps I've
read so much
dark erotica

that it's lost
some of it's

shock value for

me. I know that
the only
acceptable
feeling to have
towards Mr. Tall
dark and
nameless is
disgust yet I
never quite made
it there. I'm
choosing not to
look to far into
what that says
about me as a

its fiction.
That makes it
ok. Right?" -
Amazon Customer
"First let me
start out by
saying, this is
DARK erotica. If
you do not like
this kind of
book, don't read
it...i get tired
of reading

Where To Download Mafia

Captive Kitty
Thomas

reviews dissi
the dark
erotica/ dubious
consent, stating
it was "sooo
uncomfortable"
well don't read
these titles,
duh! Now for me,
I love it. Dark
Erotica is
unpredictable,
unconventional
and most of all

Where To Download Mafia

a whirlwind of
emotions.

Furthermore,
saying that you
could not form
an attachment to
Emily and Master
is like saying
you didn't read
the book, it was
about nothing
but Emily and
Master. I guess
if one is unable

Where To Download Mafia

to get past the
kind of twisted
relationship
they had, then
it would be hard
to form
attachment." -
Amanda Rae
" `Comfort Food'
is dark erotica.

"I had read
novels about
bdsm and
Stockholm
syndrome but not

Where To Download Mafia

like this. This one ruined many other books for me in that genre, lol, because it was that good (this is the one to beat). Comfort food crossed this little fine line between reality and fantasy . the

Where To Download Mafia

majority of the
books on the cap
ture/kipnap/slav
ery theme you
can view them
like fantasy but
Ms Kitty Thomas
push the
envelope taking
it to a more
realistic and
plausible
scenario. The
severe case of

Stockholm

syndrome that

Emily had

towards Master

is shocking, and

let you wonder

when does

Stockholm

into obsession

or love." - Jay

Benitez "My

first dive into

Dark Erotica and

Where To Download Mafia

Captive Thomas
Kitty Thomas

leaves me
begging for
more. As
disturbing as
Comfort Food is,
it was also
riveting. Emily
Vargas has been
taken captive,
and in order for
her captor to
break her to his
will, he removes

Where To Download Mafia

the one thing
she craves
most--human
contact. He
tortures her
with silence and
offers comfort

Love, Lust,
Books "riveting,

-Kindle Customer
"You pretty much
can't look up
dark erotica
without finding
Comfort Food at

Where To Download Mafia

the top of the
recommendations,
and I'm so glad
I took the time
to read it. As
soon as I
started I
couldn't stop,
and I don't say
this lightly,
but it was
perfect. It was
more about the
mental

Where To Download Mafia

stimulation than
the sex, though
there was sex.

It wasn't as
heavily detailed
or the entire
focus of the
relationship,
however. It was
far more about
the process of
breaking
someone, of
making them

Where To Download Mafia

Something new,
and Kitty Thomas
managed this
wonderfully." -
Michelle "While
I have read some
dark erotica,
this book is the
first of its
kind. The BDSM
world is pretty
unknown to me.
Aside from the
fairly vanilla

Where To Download Mafia

stuff we see on
TVs or movies,
this book does
not pull any
punches and
pushes the
audience into
it." -

acid_raine_burns

"My exposure to
erotica has not
been favorable.
Enough is
enough; and the

Where To Download Mafia

graphic Kitty
descriptions of
conquests gets
boring and
overdone
quickly.

Therefore, I
usually avoid it
totally. This
work on the
other hand, was
very well done.
The psychology
of the

Where To Download Mafia

Captive/Kittor
was very well
presented. The
material was
well written and
the erotica well
placed in the
story. The
erotica was
there but did
not dominate or
overwhelm the
story. This is
without a doubt

Where To Download Mafia

the product of a
talented author.

I doubt if I
will read more
erotica; figure
I'll quit while
I'm ahead.

However, this
author is worth
reading again."

Dan C. Boutwell
"The eroticism
is in some ways
explicit but not

Where To Download Mafia

graphic and
tastefully
written to allow
the imagination
to work as well.
At first I was
afraid Emily's
fear would
remain the
trigger for her
obedience but it
slowly evolved
in to something
else, something

Where To Download Mafia

deeper that
conveyed the
steep emotions
behind the
erotic actions.
When you strip
away everything
else, at the
core Comfort
Food is about a
Master
conditioning his
slave." -

Leontine's Book

Where To Download Mafia

Realm "I would say this story is not for the faint of heart. If you like "Consequences", "Seduced in the Dark" and more of the hard core erotica, Comfort Food will end up being one of your favorites. Even then, this

Where To Download Mafia

is not a HEA/romance novel so don't go in expecting roses and candy for an ending."
- Emily "50 shades of twisted ; very compelling. Very dark and very erotic.
Certainly a new twist in the

Where To Download Mafia

erotic read." -
Beckie "I
wondered if I
really wanted to
read a book
about someone
who was
kidnapped but
after reading
all the
excellent
reviews and
being drawn to
BDSM themed

Where To Download Mafia

Captive after Kitty

reading 50

Thomas

shades, I was
absolutely

captivated and

think this is

the best book I

have read in a

long time." -

Megan "Extremely

interesting

story!! The

description is

right - this is

Where To Download Mafia

not HEA or Fifty
Shades remake.

This is much
more of a
psychological
thriller/erotic
story. I won't
get into details
to ruin it, but
I recommend this
book if you like
to dabble in the
dark erotic
stories or if

Where To Download Mafia

you are curious
about them -

This is a great
place to start."

- CRFreads5012

"Wow, simply
wow! I started
this book last
night and just
finished it. I
have to say I
was blown away
by it. It is not
any kind of

Where To Download Mafia

normal romance
novel, so if
that is what
you're looking
for, go
somewhere else.
The closest
thing I can
compare it to is
Story of O. This
is not Fifty
Shades of Grey.
This is an
erotic novel

Where To Download Mafia

Captive and simple,
Kitty very little
Thomas romance is in
it...If you want
a challenging
erotic novel,
one that may
remind you of
Story of O, then
this is a great
book for you. If
you want a
romance novel
featuring a cozy

Where To Download Mafia

little love
story, then pass
this one by." -
Thomas
Charles M. Smith
II "I have read
the Fifty Shades
Trilogy and
Seduced in The
Dark, so the
dark side of
this book did
not shock me too
much. I really
liked this

Where To Download Mafia

author's **Captive Kitty**

writing, very
descriptive and
had me really
into the book."

- Kerri "This
was one of if
not the most
intelligent
thought out and
well written
erotic stories I
have ever read.
The intelligence

Where To Download Mafia

Captive Kitty
Thomas

and well though
out analytical
voice of Emily
was a welcome
surprise to the
usual flippancy
most "heroines"
in stories have.
This was written
in a way that I
can share with
friends who
don't
particularly

Where To Download Mafia

share my **Captive Kitty**
interest in
erotics or
things BDSM
(consensual or
not). It was not
overly explicit
there was just
enough to
entice, to
stimulate
through subtlety
rather than
blatancy. All in

Where To Download Mafia

all, Kitty

Thomas has
earned herself a
spot on my must
read list." - C.
Lauer "I agree
with another
reviewer that it
is not a BDSM
book, it is
about a women
who is kidnapped
and her control
is stripped away

Where To Download Mafia

one layer at a time. An immensely enjoyable, brilliantly written novel. Highly recommended. Not a romance novel, except in a creepy Stockholm Syndrome way." - Lila "I had an expectation of

Where To Download Mafia

Captive an
erotic book
loaded with BDSM
themes, sex,
violence and
force. I didn't
expect to have
to think too
much. While
there were some
of those
components
throughout, the
book was so much

Where To Download Mafia

more. For me, it became a psychological profile of someone going through an extremely traumatic experience and how she chose to deal with it. Surprisingly, the book changed my viewpoints in

Where To Download Mafia

some ways, helping me recognize that themes such as a victims response to trauma, may not always be comfortable or conforming to society's norms. The probing of the character's thought processes was

Where To Download Mafia

unexpected."-
Captive Kitty

Michael "I would
Thomas
still recommend

this to those

with a

particular taste

for BDSM and

kidnap type

books...it was

definitely a min

d-blower...also

I will never

look at chicken

Where To Download Mafia

again." - Sue B.

"This is an
adult book with

"This is not a run of the mill BDSM story that ends w/a fluffy happy ever after ending. This is a story of submission and surrender - the total capulation of one's self, mind and body to another through

Where To Download Mafia

Captive and a will
Kitty
Thomas
to survive. I
had been warned
that this was a
dark story and
it truly is. I
wanted something
that I could
sink my teeth
into and not
wrapped up in a
pretty little
package...and I
got it. If you

looking for something that is soft this is not it. But if you are willing to step off the deep end and are ready for a intense story, this is it." -
Jacque "I want to preface this review by saying that I've

Where To Download Mafia

struggled to
finish reading a
lot of mediocre
books lately. I
didn't realize
what a gem I had
lurking under
the benign title
of Comfort Food.
There was no
"struggling" to
read Comfort
Food. The
narrative was

Captive Kitty
Thomas

smooth and easy
to read, and
pulled me in
immediately. I
knew by page 3
that I would not
be reading
anything else
until I finished
this book, even
though the
characters were
sometimes
difficult to

Captive Kitty
Thomas
like, and the
story isn't
exactly nice.
Apparently I
don't require
nice. Some
didn't find this
story erotic,
but I did. I
think this is
GREAT erotic
 bdsm, although
if you like BDSM
light, sweet,

Where To Download Mafia

100% consensual,
and romantic -
then this one
might not be to
your taste." -
Sheri Johnson
"As a female
reader of
erotica I
sometimes find,
especially in
the bdsm genre,
the author is
too quick to the

Where To Download Mafia

'spanking and chains' not this time. The author takes her time to build an actual story and relationship, allowing you to connect with Emily and what she is going through. She manages to touch on each aspect

that make the
Master/slave
relationship so
complex without
exploitive sex
scenes, that are
often

unnecessary." -

"Ah...reading
this book by Ms.
Thomas was like
having a feast
after being on

bread and water.
I'm an avid fan
of BDSM erotica
but it's so
seldom that I
find a book that
a) surprises me
and b) impresses
me with the
quality of
writing. This
book did both.
First of all,
there are none

Where To Download Mafia

of the usual
tropes
associated with
non-consensual
slavery erotica.
No violence, no
lurid fights and
unrealistic
cruelty, no
blatant
disregard for
the well-being
of the enslaved.
This "Master"

Thomas

plans and proceeds with so much thought and intelligence (and gentleness) that you are at once both outraged and yet drawn in by this guy. Not that he is completely kind--he isn't. But there's no thoughtless and

Where To Download Mafia

spiteful Kitty
brutality, which
placed me in a
strange imbalanc
e--hating him
and yet feeling
an unwilling
attraction to
him too." -

Annabel "I love
a dark read when
I'm in the mood
for one, which I
was when this

Where To Download Mafia

book came highly recommended to me. And it is dark. It is erotic. It is BDSM. All things I enjoy in a story." -JennieW

"This is very dark literature, unsettling, and not your standard erotica. It is

Where To Download Mafia

not about BDSM,
but rather a
genuine
kidnapping. It
does have an
"incomplete"
feel to it, but
in this case I
felt that it
enhanced the
storyline. It's
definitely
uncomfortable to
read, and yet I

Where To Download Mafia

Captive Kitty
Thomas

suggest it. The erotic scenes are still often steamy, despite the storyline. It's truly about two broken people in a broken society. This prompted me to read more by Kitty Thomas, which has proven to be

Where To Download Mafia

entertaining."

—Gail "Comfort
Food is dark,
exotic and raw!
Told in a very
realistic tone,
Kitty Thomas
masterfully
drops the reader
into Emily
Vargas' carnal
and enigmatic
tale: a
kidnapped

of becoming a
BDSM slave to
her own captor.
It's not every
day that an
author can pull
a reader across
their normal
genre and have
them so
emotionally
invested that
they can't put

but Kitty Thomas
skillfully
weaves this tale
with a finesse
that is truly
remarkable,

the subject

"If you enjoy

the psychology

it turns out the

JMM "As for
Mafia Captive, I

Where To Download Mafia

wasn't sure how I was going to like it. I had heard several people rumbling about how it was so different for Kitty. The main character, Faith, wasn't even kinky. Then I just found it amusing that so many people had

Captive Kitty
Thomas
just boxed Kitty
into this kinky
corner and
rebelled when
she wrote
something
different."...

"And THAT is why
this book is so
great. It's not
because Leo is
into BDSM,
because he is in
a big way. It's

Where To Download Mafia

Captive Kitty
Thomas

not because he forces the lifestyle on this young girl, because he doesn't. As I'm sure you know, Kitty Thomas is Zoe Winters. And when Kitty is Zoe, she has a terrific voice and her stories grab you. But

Where To Download Mafia

when she is
Kitty, she grabs
you and doesn't
let go. She
crosses the
lines and flips
the critics off
from the other
side. This story
was complex. It
was very
emotional at
times, sometimes
even a bit

Where To Download Mafia

funny. There are things that happen that will make you gasp and get angry at this person or that person.

Sometimes you might feel like justice happened. And at others, you will fear for what's to come. And

Let's just say
that the
antagonist/hero

seem like a well-adjusted individual. ;-)

And, yes, in Kitty's world, the hero and antagonist are usually the same person." -Book of Secrets "The writing was brilliant and I loved how the author went

that. Just some
of the scenes
were too much
and in the end I
felt truly sorry
for Veronica. I
guess her only
savior is that
beautiful blue

book 3 stars.

- Lynne "In the
end, I was
struck by the
sadness of
unrequited love
of two

Individuals, which to me was the theme of the story. Not the fetishism or the dark themes, but two very lonely and broken people trying to heal the only way they knew how. Thomas' stories aren't about shock

value, they're
about broken
people. Yes,
this one covers
entirely new
territory, and
it's not for
everyone, but it
has a
wonderfully
bittersweet

"Big Sky is a

sexual fantasy
scenario
packaged in
realism, written
in a way so that
if the scenario
could indeed be
brought to life,
how would it
then play out in
the most
realistic
fashion? And in
my opinion, this

is what Kitty Thomas does best. She IS able to merge fantasy with reality in a way that I think few authors of this genre can, and still make it layered and thoughtful with moments of real emotion."

Everything is

Come. Shannon.

He scares me. He seems weirdly possessive of me. He's going to take me out of the park, away from my husband and the only safety I have. I'm terrified to know what's out there.
